North Branch Area Schools

December 2024

22nd Annual Old-Fashioned Family Christmas

The holiday season is just around the corner, and North Branch Area Schools is preparing to welcome families from the community and beyond to the 22nd Annual Old-Fashioned Family Christmas. ***The festive gathering will be held on Friday, December 13, 2024, from 6:00 p.m. to 8:00 p.m. at Ruth Fox Middle School.***

This beloved event, a longstanding tradition in the community, promises an evening filled with fun for all ages. Families can enjoy a variety of holiday-themed games, delicious treats, and a chance to snap photos with Santa Claus himself. At 8:00 p.m., attendees will have the opportunity to participate in the eagerly anticipated prize drawings, which include \$1 raffle with baskets valued at over \$100 each, as well as \$.25 raffle items. Winners do not need to be present to claim their prizes, although attending adds to the excitement.

Tickets for the \$1 basket drawing are available for purchase both at the event and in advance at the Ruth Fox Middle School office. Event updates and additional information will be posted on the Ruth Fox Middle School Facebook page as the event date approaches.

The Old-Fashioned Family Christmas event is not just about festive fun—it also serves a meaningful purpose. Proceeds from the evening will help fund a trip to the U.S. Space and Rocket Center Space Camp in Huntsville, Alabama, for selected Ruth Fox Middle School students. The application process for students interested in becoming “Space Campers” will open in February 2025.

All families are encouraged to come out, join in the festivities, and support this wonderful cause that makes a difference in students’ lives.

NORTH BRANCH Area Schools

Congratulations to our Board of Education, staff, families, students, and community for earning Local and National Recognition as a

BEST of the BEST School District!

North Branch Area Schools adopted the motto of “ALL IN” to reflect the district’s commitment for everyone involved to give 100 percent to make the district better for our students, our families and our community.

That commitment includes:

- ★ An extraordinarily dedicated staff that provides excellent learning opportunities for all students
- ★ Kind, caring support staff, including a school nurse
- ★ Safe and modern, air conditioned facilities including new HVAC system at high school
- ★ Technology rich 1:1 classrooms – every student has a learning device
- ★ F.A.B.S. – a before and after school program
- ★ Preschool for 3 and 4 year olds
- ★ Gifted & Accelerated Program
- ★ Space Camp Program at U.S. Space & Rocket Center, Huntsville, Alabama (5th-8th grade)
- ★ Tutoring opportunities
- ★ North Branch Early College
- ★ AP Classes
- ★ Dual Enrollment
- ★ Online Learning
- ★ STEM Academy
- ★ Award Winning Marching & Symphony Bands
- ★ Thriving Theatre Program
- ★ Business Professionals of America Chapter
- ★ High School Esports program
- ★ New STEM Labs in North Branch Elementary and Ruth Fox Middle School
- ★ State recognized alternative education program
- ★ Wide Variety of Extra Curriculum Offerings
- ★ Lapeer County Educational & Technology Center programs
- ★ No fee athletics program with free admission for all student to athletic events
- ★ Successful Athletic teams at local and state level
- ★ More than 60% of NBAS athletes annual received the Scholar Athlete Award
- ★ District commitment to school safety: Night locks in all buildings, crisis alert emergency badges for all employees (only school in Michigan), all district employees ALICE trained (Alert, Lockdown, Inform, Counter, Evacuate), full-time school resource officer

North Branch Elementary School

Ruth Fox Middle School

North Branch High School

North Branch Elementary School

Ruth Fox Middle School

Dear North Branch Families & Community Members,

It is a great time to be a Bronco! Actually, there has never been a better time to be part of our North Branch family. With the holiday season upon us, I would like to briefly highlight some of the outstanding events of the past year that you can read about in this *School Talk* as they relate to the three shared goals we have in our district. Our Board of Education truly focuses on these shared goals with our district:

1. North Branch Area Schools and the Board of Education will teach, measure, and **continuously improve instruction** aligned with state standards for **increased student achievement** and College and Career Readiness:

- I am so proud of Samantha Wagner. As you can read below, Samantha Wagner has been identified as a National Merit Semifinalist and is in competition for roughly 6,870 National Merit Scholarships. Samantha's accomplishment is one of the top highlights I have been able to share in my 8 years as the North Branch Superintendent. She is an amazing young lady and richly deserves all the accolades that come from earning this distinction.
- North Branch Area Schools has been recognized by U.S. News & World Report as one of the best elementary and middle schools in the country for the second consecutive year. According to the press release, schools were assessed on their pupils' proficiencies in mathematics and reading, as measured by state assessment tests. Half of the ranking formula was the results themselves; the other half was the results in the context of socioeconomic demographics. In other words, the top-ranked schools are high achieving ones that succeeded in educating all of their students. We are very proud of our teachers and support staff for the daily work they do with our students in the classroom.

2. North Branch Area Schools and the Board of Education will evaluate and enhance opportunities for students by adopting and executing a budget that **prioritizes teaching and learning in a safe**

environment while improving the district's financial stability:

- Please take another look at the front cover of this issue of *School Talk*. We have so much to offer in our school district:
 - ◆ First and most importantly, a highly qualified and dedicated teacher and support staff;
 - ◆ Modern facilities second to none including two new STEAM labs (NBE and RFMS) with all students exposed to Science, Technology, Engineering, Arts, and Mathematics.
 - ◆ Compass Program for our Gifted & Talented students;
 - ◆ Space Camp Program for students in grades 5-8;
 - ◆ North Branch Early College, Dual Enrollment, and Online Learning;
 - ◆ Award winning band and fabulous theatre program;
 - ◆ E-Sports program with the latest technology in its own gaming lab;
 - ◆ State and nationally recognized alternative education program (Quest High School);
 - ◆ Athletic programs that win championships at the league, district, regional and state levels while not charging any fees to our families;
 - ◆ District commitment to safety with nationally acclaimed safety badges for every employee with all district employees ALICE trained and a full-time School Resource Officer;
 - ◆ A commitment to low class sizes at all levels with an emphasis on small class sizes at the elementary school.
 - ◆ North Branch Area Schools is a financially strong school district which prioritizes supporting children in the classroom.

3. North Branch Area Schools and the Board of Education **will validate the importance of every staff member** as critical to the success of the district and **will maintain partnerships of integrity and trust within the North Branch Community.**

- a. Teachers and Support Staff: I am constantly reminded of the main reason parents send their children to North Branch Area Schools and that is because of our teachers and support staff.

They are dedicated and highly skilled professionals who truly care about each and every child. All of us, (administration, teachers, and all support staff) know we have a huge responsibility in educating all children as well as showing them love and concern as we would our own child.

- b. North Branch Community: Every single day I witness the warmth and support of the North Branch community. Our enrollment continues to grow primarily due to families living outside of the school boundaries choosing to send their children to our school district. Those families and students welcomed with open arms and quickly become part of the Bronco family. Thank you for ALWAYS supporting North Branch Area Schools.
- c. In the spring, we have an opportunity to refinance our 2015 bonds. While we are rapidly paying down our long-term debt, this refinancing (much like a homeowner does when interest rates are lower) will save our taxpayers approximately 1.3 million dollars. The North Branch Board of Education operates on a needs-based budget and prioritizes fiscal responsibility and transparency with the community.

Lastly, on behalf of the Board of Education, Administrators, Teachers and Support Staff, and just over 2,400 students, thank you to our families and community for continuing to support our school district! We promise to **maintain partnerships of integrity and trust within the North Branch Community.**

As I have written for the past several years, I am most thankful that I understand the reason we celebrate during the holiday season. I am appreciative that I live in a community where family and friends are a priority and people come together to lend a helping hand to those who need a little extra assistance, especially during this time of the year. I hope you are able to spend quality time with your loved ones over the holidays. Our last day of school before the holiday break is Friday, December 20 and we will return to school on Monday, January 6, **2025.**

HAPPY HOLIDAYS,

Jim Fish

North Branch Superintendent

Congratulations Samantha Wagner, National Merit Semifinalist

Being a National Merit Semifinalist is a prestigious achievement and academically rigorous to obtain.

Approximately 16,000 seniors are identified as a Semifinalist have an opportunity to continue in the competition for some 6,870 National Merit Scholarships.

It has been well over a decade since our district has had a Semifinalist. We are exceptionally proud of Samantha and the hard work she continues to put in to have ***earned*** this achievement.

SCHOOL OF CHOICE

window to apply for enrollment in

North Branch Area Schools

JANUARY 6-17, 2025

Drama & Music DEVELOPMENTS

This November, Aliens came to North Branch High School for a limited time. ***Invasion of the Student Body Snatchers***, was the latest production put on by the North Branch High School Drama Club, and ran during the week of November 4th.

When aliens from planet Vesperon came to Earth, things didn't quite go as planned. We watched as Orry and Cassie Constella try to navigate the ins and outs of life as teenage earthlings including science fairs, high school dances, and love triangles all while their parents attempt to determine if Earth can be transformed into Vesperon's latest all-inclusive resort. Students, staff and the community enjoyed fun-filled nights of theater, laughs, and of course, **ALIENS!**

The Marching Broncos performance at Central Michigan University's annual Band Day on September 21st with the 2024 All Star Bands from around the state.

The North Branch High School's Symphony Band performance at the Exchange Concert November 5th with the Croswell-Lexington High School Symphonic Band.

The combined bands at the Exchange Concert November 5th. 110 combined musicians! Great opportunity for both communities and such an awesome experience!

NBHS Peer to Peer Program

North Branch Area Schools welcomes our new School Resource Officer (SRO), **Lapeer County Sheriff Deputy Barry Wascher**. Deputy Wascher is replacing Deputy Danielle Johnson who was recently promoted to Detective within the Lapeer County Sheriff's department.

Deputy Wascher will serve all North Branch School buildings and will be a tremendous resource to our students, staff and community.

We are excited to have him join our North Branch family!

Peer to Peer is a class/program that is rooted in evidence-based practices, initiated by school staff and embedded within a school community, and intentionally connects students with and without disabilities across the school day to promote belonging for all students. The participation model shifts from a helping approach – where one student is the helper and the other is the recipient of help – to a model where all students actively engage together in natural friendships.

Peer education gives students knowledge and skills that demystify disabilities and increase understanding and acceptance. Celebrations like the one pictured here from Halloween are just one of the ways these students form lasting relationships.

NB High School Welcomes New Teachers!

Brandy Grinnell is happy to join the staff at North Branch High School as a new special education teacher. She taught special education students from kindergarten to transitioning into adult life for 10 years

in Juneau, Alaska. She taught special education students at the high school level in Detroit as well.

Wanting to live closer to her family, Ms. Grinnell returned to Fostoria, Michigan and is excited to be a North Branch Bronco as some family members graduated from North Branch Area Schools.

When not at school, Ms. Grinnell can often be found enjoying the outdoors with her dog or reconnecting with friends and family.

My name is **Sue Allen** and I feel very fortunate to have the opportunity to join the Bronco family as a math teacher at NBHS. After working as a high school math teacher for 20 years at Imlay City High School, I spent 7 years working in other roles in education. Most of that time was spent at Romeo High School working as a building sub in addition to filling several long term substitute positions. I loved my role, but really missed teaching full time.

So, just over a year ago, I decided to follow my passion and explore opportunities for returning to my own classroom and that eventually led me to North Branch!

I have been involved in several extracurricular activities while working in education. The most recent activity was coaching both Boys and Girls Tennis for 9 years. I enjoyed working with students outside of the classroom and it was very rewarding to teach them a fun sport that I loved!

I live in Imlay City with my husband John. We have been married for 27 years and have two children, Mitchell (24) and Mackenzie (22). I spend my free time bowling in a league, golfing with my husband and family, cheering for the Detroit Lions, and spending time with our dog Winnie and our cats, Mocha and Oliver.

Within a couple of days it was clear to me that North Branch is a great place to be. I have enjoyed getting to know the students and the wonderful staff at NBHS. I look forward to the journey of becoming a part of the Bronco community!

I'm **Sean Rinehart**, and my family and I are very excited to be joining the North Branch community. I am equally excited to be joining North Branch High School as an English teacher. I started my career in

Granite Quarry, North Carolina at East Rowan High School and spent six and half years there teaching English and coaching football and track and field. My wife and I then relocated to Lakeview, MI in January of 2013 where we have been ever since. While at LHS, I have taught English 9 and 11, 9th grade U.S. History, 10th grade World History, and served as the school's head football coach (12 years).

My wife, Kristen, and I have been married for 14 years. She is an elementary teacher and has been so for 18 years. We have two daughters; Averie (10) is in 5th grade, and Callie (7) is in 2nd grade.

I look forward to building relationships with students, parents, and staff here at North Branch High School, and I can't wait to get started.

Quest Enjoys Community Support

The 20th Annual Quest Benefit Dinner was an outstanding success! Thank you to the North Branch Masonic Lodge for conducting the benefit! Overall, we had almost 150 attendees and raised around \$1,500.

Quest would also like to thank the Eastern Stars, Tri-County Bank of North Branch, Brian's Market of Deerfield, and Cherry Market of Lapeer for their contributions.

Our JMG Specialist Nicole had the privilege of taking two students, one being our very own Emma

Whitis, to Leadership Day for Jobs for Michigan's Graduates! The event is designed to empower young professionals, providing them with the tools and inspiration needed to succeed in their careers.

Emma was chosen for her academic performance as well as her drive in pursuing a future career as a dental hygienist.

Let's See How Far We've Come

2018 Quest Graduate ADAM BACK was able to take a moment to speak with our current students.

After graduation Adam served our country in the US Navy where he rose to an E-3 rank. His message in summary was, "Set a goal, and ask yourself each day how your actions are helping or hurting that goal. Things don't just happen. You have to make them happen."

After 6 years of service, Adam is embarking on civilian endeavors. He currently lives near Jacksonville, FL. He is pursuing a training program in "Airstreams and Renewable Energies".

Thank you Adam for your time and your service to our country!

YOU ARE QUEST!

Enroll Today at Award Winning

Quest High School!

Students interested in enrolling at Quest High School or obtaining more information about the programs offered at Quest can learn more about us on our Facebook page at:

www.facebook.com/NBQuesthighschool/

To enroll at Quest, contact Program Coordinator Corey Rosser by email at **crosser@nbbrncos.net** or by phone at **810-688-7581**.

Senior Citizen Lawn Clean-Up Day

Quest students are again looking forward to participating in our annual service learning project! Each year Quest students clean leaves and debris from senior citizens' lawns. This year we have 5 local senior citizens giving us the opportunity to give back!

Celebrating Creativity on International DOT DAY!

Students and staff at Ruth Fox School joined together to celebrate International Dot Day, an event that encourages creativity, courage, and collaboration. Dot Day began in 2009 thanks to a teacher, Terry Shaw, who was inspired by the book *The Dot*, written by Peter H. Reynolds.

The Dot tells the story of a young girl learning to believe in her artistic abilities, and Dot Day encourages everyone to “make their mark.” At Ruth Fox, students and teachers did just that by taking part in fun and meaningful activities. They created dot-inspired artwork, worked on writing projects, and even wore positive affirmation wristbands to support one another.

By celebrating Dot Day, Ruth Fox School showed that creativity and courage are important for everyone.

Ruth Fox Middle School 8th Graders Explore Future Careers at MiCareer Quest

Ruth Fox Middle School's 8th-grade students gained a hands-on look into future careers at the GST Michigan Works MiCareer Quest, held at the Dort Federal Arena. The event, made possible through a partnership with the Lapeer College Access Network (LCAN), offered students a unique chance to explore diverse career fields through interactive activities.

Students engaged directly with professionals across industries such as Advanced Manufacturing, Construction, Health Services, and other in-demand careers. Through these hands-on experiences, students discovered potential career paths they might not have previously considered. The event encouraged students to interact with employers, ask questions, and learn at their own pace.

Conversations among students and presenters were vibrant and informative, leaving participants excited and inspired to explore various career possibilities. The event provided valuable insights and options for students to consider as they plan their educational and career paths.

PENNY WARS

Ruth Fox Middle School held its popular “Penny Wars” fundraiser again this year, coinciding with the **Michigan** vs. **Michigan State** football game week. The school's students rallied behind their favorite teams by adding money to jars representing either **Michigan** or **Michigan State**.

In a close battle, **Michigan** came out on top, securing victory over **Michigan State**. Through this friendly competition, students raised over \$400 in just four days. Every cent will go toward supporting Ruth Fox Middle School's Positive Behavioral Interventions and Supports (PBIS) initiatives and assisting families in need this holiday season.

This annual event showcases the spirit and generosity of Ruth Fox's students and the school's commitment to making a positive impact in the community.

Follow RFMS@ruthfoxmiddle

Building Future Leaders

The Ruth Fox Middle School (RFMS) Student Council has been actively engaging in community service and leadership-building activities this school year, showcasing their dedication to both their school and the broader community. This year, the student council members made significant contributions, reflecting their commitment to making a positive impact.

In October, the RFMS Student Council participated in Lapeer's Neighbors Helping Neighbors event. This annual event brings together community members, local businesses, and organizations to share valuable resources and support with the community. RFMS students joined efforts to assist attendees, helping distribute resources and offering support wherever needed. Their enthusiasm and dedication did not go unnoticed, with community members praising the students' work ethic and eagerness to help.

Following their community service, student council members shifted their focus to building school spirit for the NBAS homecoming week. They organized a spirited scavenger hunt, hiding mini-broncos around the school for students to discover and win prizes.

Most recently, the RFMS Student Council attended the MASC/MAHS Leadership Conference at the Bavarian Inn in Frankenmuth. This event gathered middle school leaders from across Michigan for a day dedicated to developing communication skills, leadership qualities, and teamwork strategies. RFMS students eagerly participated, collaborating with peers from other schools and bringing back valuable insights and innovative ideas back to North Branch.

As the holiday season approaches, the RFMS Student Council is looking forward to applying the new skills they gained from the conference. Their continued dedication highlights the positive impact young leaders can have within Ruth Fox and the wider community.

Ruth Fox Homecoming Relay

Ruth Fox Middle School students participated in it's

2nd Annual Homecoming tradition, the Ruth Fox Relay Races.

Teams participated in plunger races, sack races, banana pass, and other skill games to determine a champion!

NBE RUN CLUB

The North Branch Elementary Running Club had a great fall season with members from grades 2-6 practicing weekly.

On Saturday, October 19th the club had a beautiful day to race the Thumb Area Championship two mile course in Caro, Michigan. North Branch did an outstanding job on the course. The weather was ideal with cooler temperatures resulting in several runners with personal record times. Both fields had a large population of participants competing and several of our team members were awarded medals in the top 30 overall placings. Congratulations to all participants!

A special thank you to all families for your support with this program and transporting your child to the race event.

NBE Literacy Walk

NBE's literacy coaches hosted our very first Literacy Walk this fall. Families followed a trail of literacy clues to complete a riddle, enjoyed cider and donuts, took part in an amazing magic show, and went home with FREE BOOKS!

All 4th grade classes at NBE had an amazing time at Ecology camp this fall. Some of their favorite activities while visiting Camp Lael were canoeing, collecting specimens from the pond and swamp, and making copper beads for jewelry.

Our North Branch Third Graders were very excited to attend the **Lapeer County Farm Bureau Rural Education Day (Project R.E.D.)** This fall the third grade students traveled to the Eastern Michigan State Fairgrounds in Imlay City to learn all about where the food they eat comes from, and about the many products we have thanks to agriculture. During each session, the children moved through hands-on learning centers about corn production, plant germination, apple cider, how to produce maple syrup, as well as other learning stations about our farming in our local community.

The students had an amazing time and our third graders are appreciative of the opportunity to learn more about farming, animals, and crop production in our local community.

Lapeer Conservation District Poster Contest

Congratulations to all of our students who submitted posters to the Lapeer Conservation District's poster contest. This year's theme was *'May the Forest Be With You Always'* and there were over 250 entries.

Winners and honorable mentions from North Branch Elementary were:

GRADES 2-3:

Ava S.
(1st Place)

Kaley D.
(3rd Place)

GRADES 4-6:

Brylie. T.
(Honorable Mention)

Eliana Z.
(Honorable Mention)

Hallie B.
(Honorable Mention)

Jacob L.
(Honorable Mention)

NATIONAL FIRE PREVENTION WEEK

**Big smiles and even bigger dreams
as we learned from our local heroes
in October for Fire Prevention
Education Day!**

**Students had a blast, posing in front
of the firetruck after an exciting
visit with the firefighters.**

NBHS Sports Passes

Individual or Family Pass Memberships:

These can be purchased in the High School Office or at any gate for our Winter events.

An All Sports Pass is \$135 for an entire family, or \$75 for an individual.

There are passes for less that gain you access to just a particular sport as well. Call the athletic office at 810-688-2518 for details.

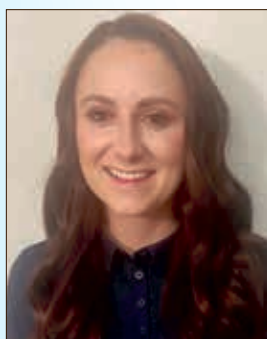

The athletic department is also pleased to announce that once again, all **North Branch Students** will be admitted to all league and non-league high school and middle school home athletic contests for **FREE** with valid North Branch Student ID.

(Does NOT include local or MHSAA state tournaments).

NBHS Welcomes New Bowling Coach!

I'm **Colleen Moore** the new high school bowling coach! I am excited to help bring my experience, knowledge and love of bowling to this program!

A little bit about me, I have been bowling for 25 years and bowled for the girls varsity bowling team at Oxford High School. From there I joined a women's league right after high school and have been on the same team for 12

years! I am an OU grad! My family and I moved to north branch about 5 years ago. I have a son and two dogs! I am currently a sub for North Branch schools! I also help coach youth leagues at Gerlachs on the weekends!

I look forward to building the future of North Branch Bowling.

NBHS Welcomes New Girls Soccer Coach!

Hello, I'm **Kelly Muntz**. I'm a long-time volunteer of North Branch in our soccer programs. I've worked with various coaches and cannot wait to put my spin and love for the game of soccer with being your next Varsity Girls Soccer Coach!

I look forward to seeing these girls achieve their goals and passion for the sport they love! I'm always willing to help them in any way possible

Congratulations Chris McNulty!
