What? Information meetings for students--and their parents--interested in applying for the 2025-26 academic year. Governor's School staff will present the unique features of the school and distribute application information required for selection and admission. RVGS is a regional, academic-year program for secondary school students in grades 9-12 who are highly motivated in science and mathematics. Selection for available spaces is competitive.

Who? Students and at least one parent or guardian must attend one of the above sessions in order to obtain an application for admission.

For additional information, call The Governor's School, 853-2116 or e-mail, ksebolt@rvgs.k12.va.us. The Governor's School is sponsored jointly by the Virginia Department of Education and participating public school districts including Bedford, Botetourt, Craig, Floyd, Franklin, Roanoke City, Roanoke County, and the City of Salem. Students must be enrolled in one of these districts in order to attend RVGS.
