

Avon Grove Charter School presents:

LIBRARY VISITS

Join Mrs. Hendrickson (K-3 Principal) & Mr. Stevenson (K-3 Assistant Principal) of the Avon Grove Charter School's Early Learning Center at your local community library for a special book reading and meet and greet.

We're a small, neighborhood school in a quaint setting, with an established full-day kindergarten program and a 20-year history of excellence. Our loving, nurturing staff makes everyone feel like family.

We hope to see you and your little ones for a fun-filled storytime at your local library!
