INTERESTED IN AN IT INTERNSHIP?

WHAT IS A UCVTS TECHNOLOGY INTERNSHIP?

The UCVTS Technology Department would not be as productive without the assistance of Student Technology Interns. Each year rising seniors are eligible to apply to be a Student IT Intern. The top scoring applicants, a combination of technology grades from freshmen through junior years, teacher recommendations, attendance and an interview process, help determine the new Student Technology Interns. Those selected to be Student Technology Interns are required to work (for pay) over the summer before their senior year. It is during this time that interns are instructed on how the Technology Department operates and how to appropriately handle technology work orders for the upcoming year. During the school year students will spend a portion of their day working as interns for the technology department. The amount of time for the internship varies depending which school the student is attending. Technology interns will also have the opportunity to work (for pay) after school hours during the school year.

* DEADLINE JANUARY 15, 2025

REQUIREMENTS:

- Be a rising senior
- Have transportation to and from school (over summer)
- Be available to work 6 weeks over the summer
- Submit Application by January 15, 2025 * (Tech Internship on Tech Dept page under Support Services)
