Meet the Teacher

Incoming Kindergarten students are invited to a special evening just for them on Wednesday, August 14 from 6:00-7:00pm at Holden Elementary.

Every year we hold this event to help our youngest Eagles get familiar with the school building, a school day routine, and their teacher, without the hustle and bustle of the usual Back to School night.

Back to School Night

Families will fill the halls Thursday, August 15 from 4:30-6:30pm for Back to School night throughout the district. Teachers will be on hand for a meet and greet and students can bring in their supplies and explore their classroom(s). Don't forget to stop by the Opa! food truck in front of the high school for a free hotdog!

During the days leading up to the beginning of school, we are sharing information on our Facebook and Instagram feeds that is "Good to Know" so that our families will be "Good to Go" for the new school year.

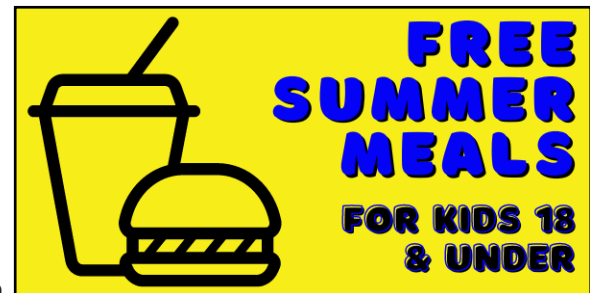

Resource Fair

Coinciding with Back to School Night on Thursday, August 15, our Resource Fair will be hosted in the elementary gym from 4:30-7:00pm. Come find out about local family resources and services and talk with area agencies about opportunities. Johnson County Community Health Services (JCCHS) will be in attendance and able to provide immunizations. Fees may apply - contact JCCHS at (660) 747-6121 with questions.

FREE summer meals for kids 0-18 continue through August 19!
