

Community School Report

Holden R-3
School District
September
2024

Campus Projects

Some of the final projects made possible by the passage of Proposition FORWARD in 2022 are ongoing or just wrapping up in each building.

- Gym floor repair and refinishing at HMS & HHS
- New playground installation and accessible sidewalks at HES
- Fiber internet run for Football & Soft/Baseball press boxes
- Refreshed visitor bathrooms at HHS
- Centralized HVAC, new windows, flooring, and garage door in the Agriculture building at HHS

Tummy Time - Not Just for Babies

You may have heard that babies should be allowed “tummy time” in order to help build their strength, but did you know that this practice is good even for older kids - and yes, adults too! Mrs. Dickey’s Kindergarten class has “Belly Bins”, which are activity bins that are designed to be used while lying on your belly. The contents vary are geared toward a multitude of skills, the children are also getting the benefits that come with tummy time, which include:

- Increased core strength
- Strengthened muscles in the neck
- Exercise of visual tracking from a different perspective
- Refined overall stability and a calming affect

Join Us for Homecoming!

Our Homecoming football game is Friday, September 20 at 7pm. The Holden Education Foundation is hosting their Walking Taco fundraiser at the game, so between that and the delicious grilled burgers and hot-dogs at the concession stand, you better come hungry! And don’t duck out at halftime - stick around and see our marching band perform some familiar, catchy tunes.
