Madeira District Greeting Card Winners Named

Four Madeira City School students have been named winners in the district's annual Holiday Greeting Card contest. One student from Madeira Elementary School, one from Madeira High School, and two who finished in a tie from Madeira Middle School.

Students were invited to enter one piece of original color artwork in the 18th annual contest. An assortment of cards is being printed using each of the winning entries and will be sent out by the Board of Education office.

This year's theme was "Head Over Heels for Winter." The entries selected as winners best reflected the theme as well as the community of Madeira. Second grader Jane Nestler was the winner from Madeira Elementary School, Sixth graders Noelle Horne and Adele Payne tied as winners from Madeira Middle School, and sophomore Ella Tinsler designed the winning entry from Madeira High School.

The students will be recognized at the Madeira City School District's December school board meeting, where they will receive a set of cards featuring their artwork.

The contest began in 2006.
