Principal: Letitia Fields

As a low performing district, we are required to develop an improvement plan that specifically addresses how the district will improve both the school performance grade and school growth score of each low-performing school in the unit, and how the superintendent and other central office administrators will work with each low-performing school and monitor the low-performing school's progress. The preliminary plan will be presented to our local school board at their next meeting, where the plan will be presented for approval. The final plan for improvement will be available on our local district website at www.vcs.k12.nc.us.

We hope you will closely follow your student's academic progress and work with his or her teacher(s) to help ensure they stay on track academically. Working together as a team, we can improve not only how well our students are performing individually, but how our schools are performing as a whole. There is nothing more important to administrators and teachers at New Hope Elementary than ensuring students are ready for the next step in their academic careers. We look forward to working with you to make sure your student is on track for success.

If you have any questions or concerns regarding our School Performance Grade and how we plan to improve the schools within our district, please don't hesitate to contact Principal Fields at 252.438.6549.

Sincerely,

Mrs. Letitia Fields, Principal

Dr. Cindy Bennett, Superintendent
