Seasons Greetings From Savoy Campus!

A Message from the Principal

Dear Parents and Guardians,

As the first semester comes to a close, I want to take a moment to reflect on what has been a truly positive and productive time at Savoy. Our students have shown remarkable growth in academics and demonstrated excellent behavior throughout the semester. Their hard work, combined with your continued support, has made this a successful start to the school year.

The last two weeks before winter break will be busy with events, activities, and opportunities for our students to shine. Please keep an eye on school communications for updates and schedules, so we can ensure every student is fully prepared for what lies ahead.

As we head into winter break, I encourage you to take time to rest, recharge, and enjoy the holiday season with your family. This break is an important opportunity for students to relax and rejuvenate, so they return to school ready to tackle the second half of the year with energy and focus.

When we return in January, we'll hit the ground running with a packed schedule of learning, projects, and activities. It's crucial for our students to come back ready to finish the year strong. Your encouragement and reinforcement at home will make all the difference as we work together to help them achieve their goals.

Thank you for your partnership and for being an integral part of our school community. On behalf of the entire staff at Savoy, I wish you a joyful holiday season and a wonderful New Year.

Warm regards,
Deordre Adams
Principal, Savoy
