NEW BUS LANE/PICK UP

Updates on Parking Lot Safety Protocols

To improve traffic flow and enhance student safety during drop-off and pick-up times, a designated bus zone has been added to the front of our school. Thank you for your patience as we wait for the city to install the updated signage to support this change.

We are also reinstating some of our previous safety patrol procedures. You will see student leaders assisting with parking lot safety, and a staff member will be stationed near the main entrance until 8:35 AM to provide supervision for any students arriving after the second bell at 8:27 AM.

Parking Lot Safety Reminders

To keep everyone safe during drop-off and pick-up, please remember:

- Bus Zone:** The area between the 4K sidewalk and school driveway is for buses only.
- Drop-Off/Pick-Up:** Use the blue-marked areas for student drop-off and pick-up.
- Parking Lot:** Reserved for staff—do not bypass barricades or enter in reverse.
- Safety Patrol:** Barricades should remain in place; do not ask patrols to move them unless due to an accessibility need.
- Handicap Parking:** Spaces require a valid handicap badge.
- Plan Ahead:** Discuss plans with your student each morning.
- Stay Alert:** Use caution as everyone adjusts to the new procedures.

Thank you for your cooperation in keeping our school safe!
