Volunteers Needed!

Help us keep registration fees affordable by volunteering at our events! Most events are under 2 hours long, usually in the early evenings or occasionally on weekends—and they're always a lot of fun! If you're a family member attending an event and are interested in being an "official" volunteer, we would love to hear from you.

Volunteering involves helping with event setup, assisting during the event, and staying afterward to help with teardown. Your support ensures that everything runs smoothly!

If you have a friendly attitude and a passion for supporting incredible individuals with disabilities in our community, join us! Please reach out to Jordi Teillard-Cui at Community Bridge at (651) 748-7250, email jteillardcui@isd622.org, or chat with a CB staff member at any of our events. Can't volunteer but still want to help? Consider donating to our program! Your support will directly contribute to keeping our events accessible and affordable for everyone.
