

Proposition 28: Arts and Music in Schools Act - School Site Expenditure Plan

LEA Name:	Raisin City Elementary School District
Contact Name	Orin Hirsch Korn
Email Address:	Orhirsch Korn@caruthers.k12.ca.us
Phone Number:	559.495.6402
Total Amount of funds received by the LEA:	\$97,380
Date of adoption at a public meeting:	September 9, 2024

The Proposition 28: the Arts and Music in Schools (AMS) Act provides an annual source of funding for arts education in California, between \$800 million and \$1 billion each year. This document, the School Site Expenditure Plan Template, can be used to support the planning of these funds. Each school is required to submit an annual board-approved report to post on the school district’s and Department of Education’s website that details the types of arts education programs funded by the program, the number of full-time equivalent (FTE) teachers, classified personnel, and teaching aides; the number of students served; and the number of school sites providing arts education programs with such funds.

Meaningful efforts made by the LEA to consult with its required community members and the opportunities provided by the school for public input in the development of the plan and influenced by the community input:

Raisin City Elementary School has been actively engaging with educational partners to gather insights about the school's climate. These regular meetings have focused on identifying areas of success, potential improvements, and opportunities needed for students to introduce new classes, programs, or events. Upon reviewing the collected data and feedback, a clear pattern emerged, highlighting a strong demand for music and arts program. This interest was consistently expressed by staff, students, and the community to provide music. The district opened up a music teaching position however there were not any applicants. Therefor we will continue to look for music teacher and provide activities that may include arts and music programs, field trips and supplies to support these endeavors in the classroom/school. This feedback underscores the community's interest in enhancing the cultural and artistic offerings at the school, aiming to enrich students' educational experiences and provide them with diverse opportunities for creative expression. The district will continue to engage and actively seek out input as we continue.

Total Proposition AMS 28 Funds Received by the LEA	
Fiscal year:	2023-2024 (\$48,401)
Fiscal year:	2024-2025 (\$48,979)
Total Prop 28 AMS funding received:	\$97,380

Plan Summary	Total Planned Expenditures
Staffing	
Equipment, supplies, materials and contracts	\$48,401
