FALL FRIGHTS

MAC was filled with tons of fun activities during October. A favorite of students and staff is our annual Halloween

celebration. Students prepared for Halloween by participating in many fun activities in their classrooms.

This included painting and decorating pumpkins, making crafts, cooking all types of fall treats, and doing

fun experiments. On Halloween, students and staff dressed

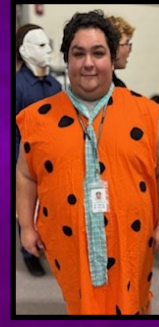

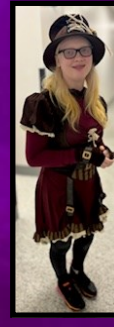

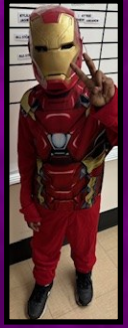

in scary, beautiful, creative, and funny costumes.

Students enjoyed trick or treating and filled their bags with tons of candy! A

Halloween parade was also held in the gym. Prizes were awarded to the best costumes. Halloween at MAC was a day to remember!

FALL FRIGHTS

SCHOLASTIC BOOK FAIR

MAC's annual Scholastic Book Fair was held in September. We sold over \$1,000 of Scholastic books for the Fall Book Fair! Because of that, we were able to raise over \$200 for books for the school library for everyone to use! We purchased books of various reading levels. Including picture books, chapter books, and graphic novels. LSS1 and ES6-8 helped set up and work the book fair table throughout the week. We would like to thank Ms. Rea and all the students and staff who helped make this year's Fair a success!

REPTILE REVUE

On Tuesday September 17th, students were treated to a reptile show brought to us by Mrs. U's Zoo Review! Mrs. Pamela Ulicny is a retired science teacher from the Tri-Valley School District, who brought rescued animals from Forgotten Friends Rescue to show to all the students. Students were able to learn about each reptile and were given the opportunity to interact with them. Many students enjoyed getting time with the animals and learning about them! We are so thankful to Mrs. U for her time and efforts! The show was a hit with our students!

An Interview With Mrs. Leshko

Q: What is your favorite hobby?

A: I like to read when I have time. Psychological thrillers are my favorites.

Q: What is something no one knows about you?

A: I used to play the flute and was pretty good at it but quit when I hit high school because it wasn't the "cool" thing to do. I now regret it.

Q: Why did you want to become a teacher?

A: This is my second career. I was originally in sales and marketing. I wanted to become a teacher because I found that I liked helping people learn, not short term. Kids have always been drawn to me and after working as

a paraprofessional for a year, I knew it was meant to be.

Q: What's your greatest achievement?

A: No question. My four kids.

Q: Where did you go to school?

A: Where didn't I go to school? My family makes fun of me for this because I hated school all the way up through 12th grade....I've since graduated from LCCC, Penn State for my bachelor's and master's degrees, currently at Alvernia for my Special Ed Cert. and next is Drexel for my PhD in Clinical Psychology. Then I'll be done.....I think.

Interview By Jay

RED RIBBON WEEK

Red Ribbon Week was celebrated October 28th through November 1st. On Monday, students wore red to kick-off the week. On Tuesday we used our heads for crazy hat and hair day. Wednesday, we teamed up against drugs for jersey day. Thursday was fright-filled as students and staff wore Halloween costumes. On Friday, we put drugs to sleep for pajama day. MAC students made the important pledge to be drug free!

TANDY CAKE

INGREDIENTS

YELLOW CAKE MIX
1/2 LB HERSHEY CHOCOLATE BAR
CREAMY PEANUT BUTTER

DIRECTIONS

1. MAKE CAKE ACCORDING TO BOX DIRECTIONS.
2. PUT IN GREASED AND FLOURED JELLY ROLL PAN AND BAKE AT

350 DEGREES FOR 20 MIN.

3. COOL CAKE AND FREEZE. SPREAD WITH A THIN LAYER OF PEANUT BUTTER (YOU CAN SOFTEN PB IN THE MICROWAVE). CHILL CAKE.

4. MELT CHOCOLATE BAR AND SPREAD OVER CAKE.

Enjoy!
