

## **ISF Form: Re-enrollment-Consent for Additional and Third-Party Services under Google Workspace for Education 2025/2026**

**To Parents and Guardians,**

At ISF, we aim to enhance our students' educational experiences by offering selected **Additional Services** and enabling access to specific **Third-Party Services** through the Google Workspace for Education platform. These services may include tools for research, collaboration, and learning enrichment.

To provide your child with access to these services, we require your consent. Please carefully review the information below regarding the types of services offered and how data is managed.

---

### **Additional Services**

In addition to the Core Services provided by Google Workspace for Education, students may access selected **Additional Services** such as:

- Google Arts and Culture
- Google Books
- Google Earth
- Google Maps
- Google Photos
- Google Translate
- YouTube
- and any other Additional Service required for their education that may be added to this list.

These services are governed by the [Google Privacy Policy](#), which details how Google collects, uses, and protects information.

---

### **Third-Party Services**

We may also enable access to **Third-Party Services** such as *Canva, Newsela, Managebac, Toddle etc.*, that integrate with Google Workspace for Education. These services may collect and use student data as outlined in their individual privacy policies, accessible via the third-party service site.

***When enabling these services, we disclose limited student information (e.g., name, email) necessary for account setup or service access.***
