High School Abroad

Take classes in a new country while living with a host family

- [Argentina](#), [Australia](#), [Austria](#), [Costa Rica](#), [Denmark](#), [England](#), [Finland](#), [France](#), [Germany](#), [Ireland](#), [Italy](#), [Japan](#), [New Zealand](#), [Norway](#), [Spain](#), [Sweden](#), [Netherlands](#)
- Summer (1-2 months), trimester, semester, or academic year
- Learn a new language
- Live with a host family
- Gain independence and stand out in college applications!

Sports, Activities and Excursions

Life abroad: You get to decide on what activities you'll do after school.

Depending on the destination, you could....

- Choose between over 40 sports (New Zealand)
- Volunteer in your local community (Argentina)
- Learn about ecotourism and conservation (Costa Rica)
- Join a surfing club (Australia)
- Play on a soccer team (everywhere!)
- Join tea ceremony club (Japan)
- Horseback riding (Ireland)
- Volunteer with refugees (Sweden)

Travel during the program

You also get to see a lot of the country and/or region!

Students can opt to join weekend trips through the program, and often students travel with their school. Sometimes, they even travel with their host families!

Here is what some students have done this fall:

- Anna in Germany took a school trip to Amsterdam to visit the Anne Frank house
- Amelia in Italy traveled to Milan with her host family for Milan Fashion week
- Summer in Argentina went to Salta and Jujuy for 10 days with other exchange students
- Annika in Austria has gone hiking and snow skiing in the Alps several weekends with her host family

Benefits of studying abroad in High School

- Test out of college language requirements
- Be exposed to new hobbies, activities, ways of life, and get new ideas for future careers
- Challenging life experiences that you can write about on college application and scholarship essays
- Confidence, international friendships, maturity, independence, cross-cultural understanding, empathy

Teen Language Camp
