DECEMBER

COMING UP IN 2025...

As a third grade team we want to end 2024 by saying thank you to our students and families for such a great start to the school year. We have already learned so much and had such a fun time building community and getting to know each other. We cannot believe 4 months have already flown by!

We are excited to start the new year with a new project! We will be diving into learning about Animal Adaptations and how animals in Minnesota survive in all sorts of weather and habitats. We will also begin studying geometry, points of view, and life cycles of plants and animals.

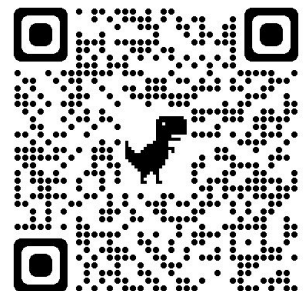

We will be setting new goals and resolutions for the New Year when we return to school in January. Please talk with your students about new goals they want to achieve in 2025!

WINTER BREAK

Winter Break will be from Monday, December 23rd until Monday, January 6th. Over the break we have sent home homework for students to work on. In addition, please encourage your child to read at least 20 minutes each day! Please have a relaxing and safe winter break! See you in 2025!

SPEAKING OUT COLLECTIVE

We had our final session with Speaking Out Collective this week. Our students have had such a great time learning about storytelling and acting with our acting teachers. It was so much fun to be able to share out our poems, stories, and art. These sessions have been specifically focused on historical-fiction stories from black voices in Minneapolis and St. Paul. Please make sure to ask your child about their time spent during Speaking Out.
