

# Give the Gift of Food This Holiday Season

**Make a difference by donating  
\$25 Food Gift Cards**

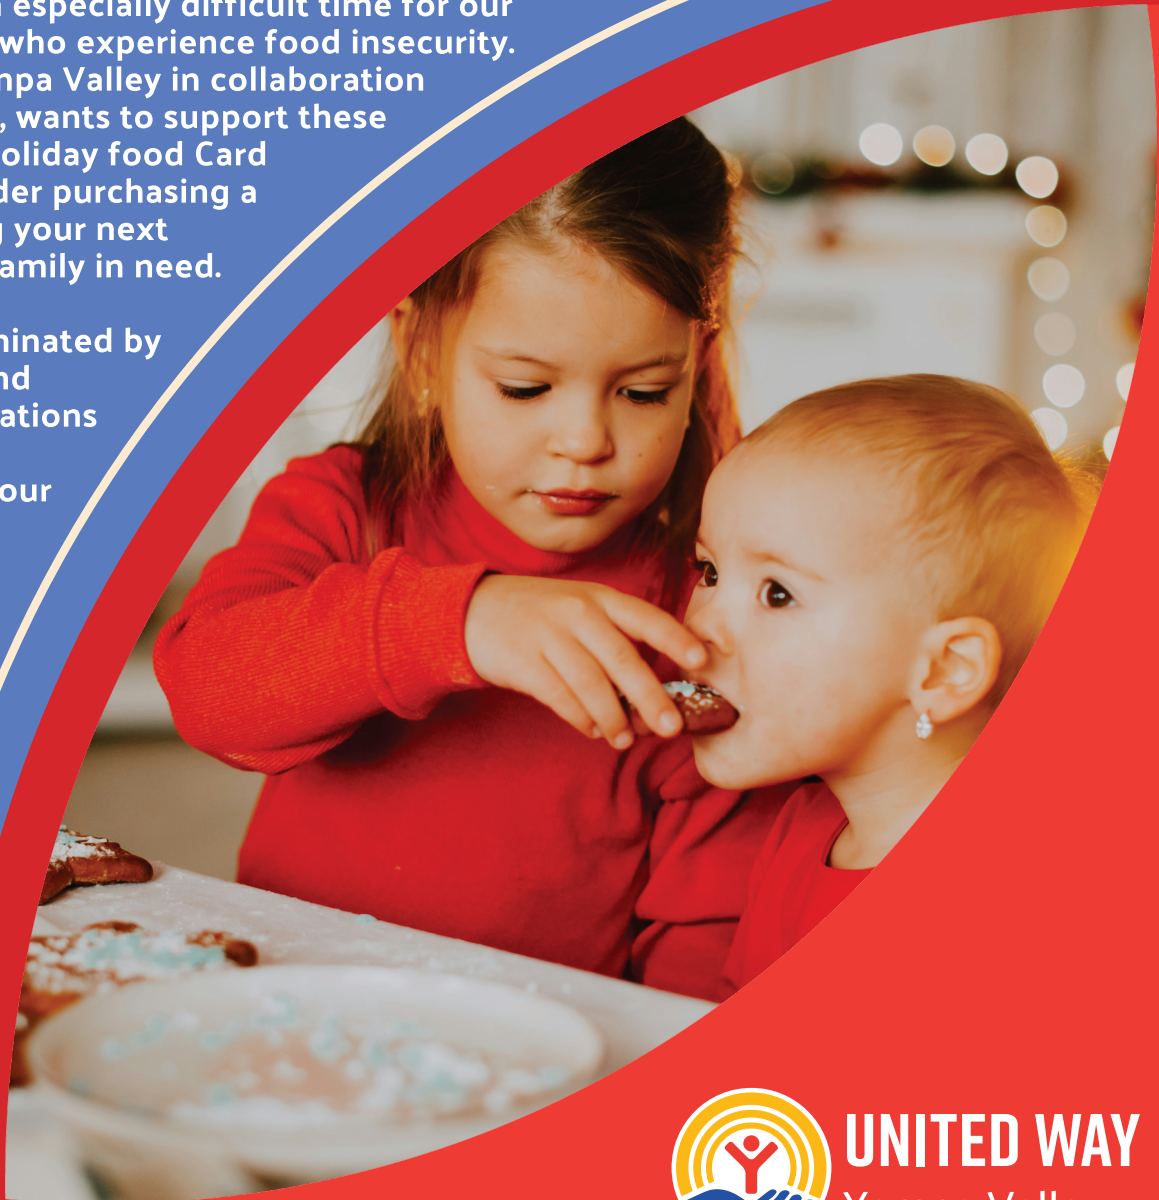

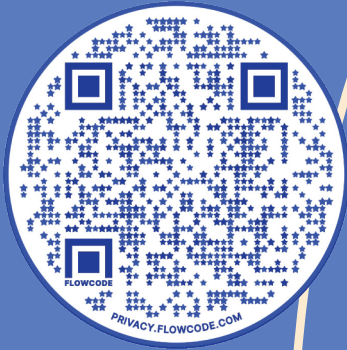

**By Dec 9 Dropoff @ 443 Oak | City Market & Safeway Only Please**

The holidays can be an especially difficult time for our friends and neighbors who experience food insecurity. United Way of the Yampa Valley in collaboration with our local partners, wants to support these families through our Holiday food Card Program. Please consider purchasing a \$25.00 gift card during your next grocery trip to help a family in need.

These families are nominated by local schools, health and human service organizations and other nonprofits. Together we can feed our community.
