

Transportation Questions and Answers - 12.10.24

1. Please confirm that the routes listed in the RFP Section G on page 21 (**below**) **do not** include the Newman Crow-Landing (NCL) school routes that are listed separately (on pages 63 and 64 of the RFP):

G. Routes Regular School Year

1. 54 Ambulatory Routes
2. 11 Non-Ambulatory Routes
3. 12 Ambulatory Noon Routes
4. 3 Non-Ambulatory Noon Routes

If the **NCL** routes are included in the above numbers, please clarify our understanding of the pricing requested.

2. It is our understanding that monitors are billed separately and hourly based on Section J page 21 of the RFP. Can SELPA confirm this understanding?

J. Bus Aides/Monitors

- i. 34,436.25 Billed Hours

3. On minimum days, are additional vehicles required to complete regular AM and PM route runs to schools that may not have a minimum day?

Answers

- (1) The routes on page 21 do not include NCL school routes that are listed elsewhere in the RFP.
- (2) This is correct.
- (3) I don't know the answer to this question.
