WELDING

Are you ready for a career in the welding industry?

The McCann Technical School Adult Education Program, in collaboration with the MassHire Berkshire Career Center and the Commonwealth Corporation, is offering a free 200-hour welding training program with credentials and career placement assistance. Our CTI welding program will provide students with industry training and hands-on experience learning today's welding techniques.

Students who are able to pass various welding qualification tests will receive certifications to the following codes:

- American Welding Society D1.1, Shielded Metal Arc Welding (SMAW) in all positions
- American Welding Society D1.1, Flux-Cored Arc Welding in all positions
- American Society of Mechanical Engineering Section IV, SMAW in positions 1G and 2G

Certifications:

- OSHA-10
- Hot Works

Apply now to chart your path for a career in this exciting, lucrative, high-demand welding field!

Training and program costs are free as this program is grant funded for workforce development by the Commonwealth Corporation. Collaboration with the MassHire Berkshire Career Center is a required part of this program. All of the training, materials, and certifications are free. This class is for serious participants who want a job in the welding field. Attendance, employer engagement, job placement and career readiness work is included.

Program dates: March 10 - June 12, 2025

Classes will be Monday through Thursday: 3-7 pm.

All applicants must meet eligibility requirements and apply through the MassHire Berkshire Career Center. For questions, call (413) 499-2220.
