

TUTORING RESOURCES

Student Resource Time (SRT) 6th Block

During 6th Block every Gold Day, students can get passes to see any of their teachers for extra assistance. Additionally, teachers can request to see students who need extra help who may not have reached out on their own for a pass.

Tutor Lab - Room B153 (by the library)

During school hours, students can go to the Tutoring Lab in Room B153 and get extra assistance from student tutors. The lab is open during all class blocks, including SRT and before school. Students must stop in and get a pass from the lab supervisor in advance if it's not during SRT.

Ivy Tech (for students enrolled in Dual Credit through Ivy Tech)

Ivy Tech Community College offers free tutoring services to Ivy Tech students. Tutors are ready to work with you in person at the Valparaiso Campus or virtually. Appointment information can be found [HERE](#).

Porter County Library

The Porter County Library offers live online tutoring. Click [HERE](#) then "Live Tutoring". They are available from 2-11pm and will ask for your grade level and the subject you're needing help with, then it will connect you to someone who can help!

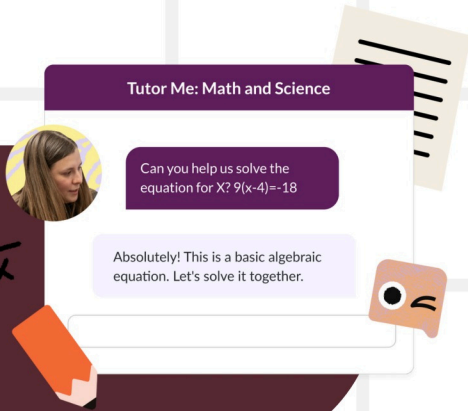

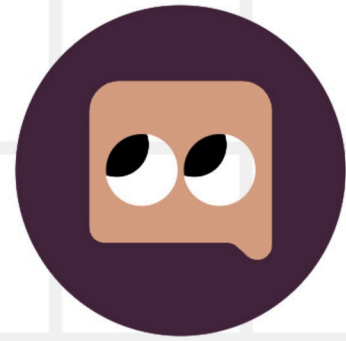

Khanmigo

Khanmigo is a virtual tool all CHS students have access to within their Clever Accounts. Students can use the AI Tutoring option to get help with coursework, prep for AP/SAT/ACT exams, or receive writing feedback for essays. A flyer for Khanmigo is attached on the next page!

AskRose.org

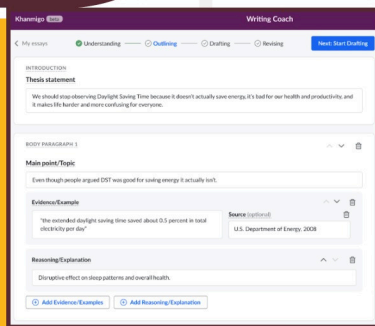

Tutors at AskRose.org are Rose-Hulman Institute of Technology college students who major in math, science, or engineering. They are there to help over the phone, through email, or live chat. Their hours vary but are mainly outside of school hours. You can see more about that [HERE](#).
