

WINTER 2025, VOLUME 28

Over the past 30 years, St. Louis Park Dollars for Scholars has awarded \$2.1M in scholarships to 2,500 high school graduates in our community! Please help us give back to the Class of 2025 and support their future dreams!

SCHOLARSHIPS FOR SLP SENIORS!

Last May, St. Louis Park Dollars for Scholars® awarded \$161,000 to 115 St. Louis Park High School seniors who applied for scholarships, and we look forward to awarding more scholarships this spring!

St. Louis Park Dollars for Scholars, an affiliate of the national nonprofit, Scholarship America, relies on generous donors like you to grant funds to students attending college and post-secondary education institutions across the U.S. Advanced education is costly, so every dollar raised is deeply meaningful to student recipients! Thank you for your support!
