

# Residency Verification and Re-Verification

October 2018

Syosset Board of Education Meeting

Note: This presentation was given to the Syosset Board of Education at their October 15, 2018 public meeting. The following slide outlines the District's process for verifying residency, to be implemented in the 2018-2019 school year.

# Residency Verification Status Update

- New Initiatives 2018-19
  - Lease expiration dates tracked in on-line system, expired leases must be replaced with new form of residency proof.
  - All 5<sup>th</sup> Grade and 8<sup>th</sup> Grade students must re-verify residency prior to enrollment in middle school or high school. (Information to follow by email).
- Residency Investigations – Indicators of elevated risk:
  - Students never ride the bus.
  - Students are often late.
  - An inconsistency appears on some address used for mailing.
  - We receive a request for registration at an address already in Infinite Campus.
  - A student advises a teacher they have moved.
  - Complaints of irregular behavior at domicile.
- District cannot perform code enforcement.
