Immunization Requirements for Students Entering Grades 9, 10, 11, & 12

Dear Parent/Guardian:

New York State Law Section 2164 requires certain immunizations (shots) to enter and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the immunizations needed. They are listed below.

Documentation of the required immunizations must be received by September 16, 2025, to avoid exclusion from school effective September 17, 2025. *Students attending summer school will need to meet the requirements for their grade in September within 14 days of the start of summer school to avoid exclusion from summer school.

Required Immunizations for Students Entering Grades 9-12:

Immunization	Number of Doses
DTaP/DTP	3 doses
Tdap	1 dose
Polio	4 doses or 3 doses if the 3rd dose was received at age 4 or older
MMR	2 doses
Hepatitis B	3 doses or 2 doses of adult Hepatitis B Vaccine (Recombivax)
Varicella (chickenpox)	2 doses
Meningococcal Conjugate (MenACWY) *	<ul style="list-style-type: none">• Grades 9, 10, 11: 1 dose• Prior to Grade 12: 2 doses or 1 dose if the dose was received at age 16 or older

If you have questions or concerns about immunizations, please contact the Syosset High School Health Office at: Phone 516-364-5696 / Fax 56-364-5681.
