**USE OF FACILITIES
RESIDENT CONFIRMATION FORM**

In order to submit your Permit Application for approval, it must be accompanied by this form, indicating that at least 50% of your organized group, or team, is comprised of residents of the Syosset Central School District.

A list of all players or participants and addresses, by team or activity, may be requested by the Director of Facilities.

No Select, State or Regional teams will be authorized to use Syosset Schools or fields unless they conform to District requirements.

If, at any time, it is found that a group or team, not comprised of 50% Syosset residents, is using a Syosset Central School District facility including the gym or field, the permit will be immediately revoked for that group or team and any other teams used by that organization.

Facilities including fields/gyms are to be left in the same manner/condition in which they were found.
