February/March 2011

2010-2011 SCHOOL CALENDAR CHANGES

In March, the Board of Education approved the following changes to the 2010-2011 School Calendar.

*May 27 has been changed from a day off to a required attendance day for all staff and students grades K-12.

*June 20, 21 and 22 will be full days for kindergarten through fifth grade. They were previously 11:30 a.m. dismissal days.

Please note these important changes on your calendar. They were necessitated by the use of days for inclement weather/emergency closings and are required in order to meet 180 days of instruction.

*O*n Sunday, March 20, students at the High School completed the last of four performances of *Bye, Bye, Birdie*, live on stage in the auditorium. The productions were the culmination of months of hard work by both students and staff, including leads Alex Chris (Albert Peterson); Tara Minogue (Rose Alvarez); Tyler Dell (Conrad Birdie); Christina Layer (Mrs. Mae Peterson); Bailey Humiston (Kim MacAfee); T.J. LaVigne (Mr. Harry MacAfee); Becca Luterman (Mrs. Doris MacAfee); Rob Hackford (Hugo Peabody); Emily Feldman (Ursula Merkle) and Nate Feldman (Randolph MacAfee). Pictured above are members of the cast portraying teen residents of Sweet Apple, Ohio, who are swept up by Conrad Birdie Fever.

To view more photos from the production, as well as photos from our elementary school operettas, please turn to page 6.

Superintendent's Column

As many of you know the Orchard Park Central School District, with community support, has been slowly addressing the needs of our facilities. Over the past several years we have been able to conduct projects which have improved air quality, safety and security with little or no tax impact. In addition, cost savings due to energy conservation will be realized both in the short and long term. All of these projects would not have been possible without the support of the community, and we thank you. Now it is time to address a problem which has plagued the District for over two decades. The District has outgrown our transportation facility which sits on the property behind the Middle School. Built in 1947, this landlocked location is no longer large enough to house all of our buses.

The Orchard Park Central School District and the community have an opportunity to move our present facility out of the village through the purchase

Matthew McGarrity

of property at 2240 Southwestern Boulevard. This purchase will address all of our transportation concerns, and will allow the district to implement additional cost saving measures. The plan includes moving not only the Transportation Department, but the District Offices, to the new site. This will consolidate both operations to the same location and afford the District the opportunity to sell or lease our property at 3330 Baker Road. If approved, further cost savings would be realized with the relocation of our Grounds Department staff from a leased

facility in the Consumer's Plaza, to the current transportation facility.

Many residents have brought up the state's fiscal crisis and asked "Why now?" Governor Cuomo is proposing a 10% decrease for projects which are voted on after July 1, 2011. If this project is approved in May, it will carry 77% funding from New York State to offset the overall price of purchase and renovation. Additional revenue is possible from the sale or lease of the Baker Road building, and revenue will be saved from not having to lease space for the Grounds Department. **Therefore, the project would result in no tax impact.**

As in the past, community support is crucial. More information about the project will be presented in the next edition of the Community Report. In the meantime, if you have any questions, please feel free to contact the School Information Office at 209-6222.

Thank you in advance for your support.

Congratulations to Mrs. Stoddard's class at South Davis Elementary School who won the cake/pizza party contest at the Family O'Fun Night Fundraiser held on Friday, March 11. The kindergarten students won a contest for the most cakes donated by a single class - an amazing 17 cakes in total! For their achievement, they were provided with pizza, courtesy of Just Pizza, and a Spongebob Squarepants Cake, donated by Jackie's Cakes.

In February, students at Ellicott Elementary had the opportunity to master their skills in Tae Kwon Do. Instructors from Master Chong's World Class Tae Kwon Do spent two days at Ellicott instructing all students in grades kindergarten through fifth grade. Students also had the opportunity to participate in an additional morning program to work on their skills. The picture above shows Max Culp, Ellicott Elementary 4th grader, demonstrating what he has learned through Tae Kwon Do with instructors from Master Chong's.

MS Students Giving Back

Students at the Middle School once again joined together to help those in need as they celebrated the 3rd Annual Children's Charity Day. Each of the Middle School bases participated, with many of the students collecting items which were given to the less fortunate. Items included hats, gloves, mittens, new and used books, socks and new coloring books. The Mariner base made care packages and wrote letters to soldiers overseas, while the Voyager base designed and wrote valentine cards for senior citizens. Pictured here are students in Mrs. Buscaglia's English class working on their valentines, which were distributed to residents of Glenwood Assisted Living Facility.

*Happy Birthday,
Dr. Suess!*

Students throughout the District recognized National Read Across America Day, an initiative on reading created by the National Education Association. Recognized annually on March 4, Dr. Suess's birthday, the event is a perfect time to encourage reading and focus on literacy. Pictured here are kindergarten students from Miss Zimmerman's class at Eggert Road Elementary, proudly donning their Dr. Seuss Cat-in-The-Hat Hats.

Pictured above is 7th Grader Jacob Schutt, holding an Asian temple he assembled for extra credit in Kathy Gabriele's art class. He was inspired to create the model after he and fellow classmates completed a painting unit on Asian art and culture. Mrs. Gabriele noted that Jacob's classmates were very impressed with the project. Great job!

It was a sea of red at Windom Elementary as students and faculty wore the vibrant color to raise awareness of heart health. Faculty participated in a walk before school, while students took to the halls for a school-wide walk at the end of the day. The event was sponsored by the Student Council, with many students donating \$1 to benefit the American Heart Association.
