Eligibility

Eligible Employees:

As part of the OPCSD contract, you may enroll in the Orchard Park Central School District Employee Benefits Program if:

- You are a new hire working 5.0 hours or more per day
- You were hired prior to June 4, 2014 and working 4.1 hours or more per day

Eligible Dependents:

If you are eligible for our benefits, then your dependents are too. In general, eligible dependents include your spouse, domestic partner and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided. Children may include natural, adopted, step-children and children obtained through court-appointed legal guardianship, as well as children of same sex state-registered domestic partners.

When Coverage Begins:

Newly hired employees and dependents will be effective in Orchard Park Central School District's benefits programs First of Month Following Thirty days. All elections are in effect for the entire plan year and can only be changed during Open Enrollment, unless you experience a family status event.

Family Status Change:

A change in family status is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits.

Examples of family status changes include:

- Change of legal marital status (i.e. marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (i.e. birth, adoption, death of dependent, ineligibility due to age)
- Change in employment or job status (spouse loses job, etc.)

If such a change occurs, you must make the changes to your benefits within 30 days of the event date. Documentation may be required to verify your change of status. Failure to request a change of status within 30 days of the event may result in your having to wait until the next open enrollment period to make your change. Please contact HR to make these changes.

Note: Some states (currently, California, Massachusetts, New Jersey, Rhode Island, Washington D.C., and Vermont) may impose a tax on residents who do not have health insurance coverage, subject to limited exceptions.

Your Wellness Card user guide

Think of this card as an extra bump to your wellness budget. It gives you more spending freedom for the healthy lifestyle perks that help keep you fit.

How to use your card:

- During checkout, swipe your card and select “credit” (no pin necessary).
- If your card isn’t accepted, you can pay upfront, then enter a claim for reimbursement on the member website or mobile app.
- Make sure to hold onto your card. Funds will be reloaded each year that you’re still eligible.

Use your card on your favorite wellness extras, like:

- Fitness centers (gym memberships, fitness classes, personal training).
- Health food stores (GNC, Feel Rite, Vitamin World, etc.).
- Wearable devices.
- Sports camps, clubs, and lessons.
- Sports stores.
- Races and fun walks.
- Weight loss programs/apps (Weight Watchers®, Noom®).

Try a virtual card for easy checkout:

You can add your Wellness Card to a mobile wallet app, which lets you virtually store your credit and debit cards in one place. Then, access it using your preferred payment app (Apple Pay, Google Pay, or Samsung Pay) to make contactless payments from your phone.

Access your online account.

To set up your account, register or log in at **member.highmark.com** and click **Manage** under Spending Account Balance. From there, you can:

- Access your personal dashboard.
- View your balance.
- Enter claims to request reimbursement.
- See messages and alerts, including requests for receipts.

You can also sign up for email and text notifications to make sure you're always updated on your wellness details. Access them on your personal dashboard.

Download the Highmark Blue Shield Spending app.

It has the same tools as the website for managing your wellness account, but with on-the-go mobile access. Find it in your phone's app store.

How your card balance works:

The value of your card is \$250 per year. As you use it, the amount you spend will be deducted from your Wellness Card account. If you spend the full allowance, you won't be able to use your card until your plan renews and new funds are added.

If you have other spending accounts, like an HSA or FSA, those funds will also be loaded to your Wellness Card. As you spend, the different accounts will be deducted based on what you buy.

Remember, your Wellness Card balance will not carry over to the next year.

Important Legal Notices Affecting Your Health Plan Coverage

THE WOMEN'S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: PPO 8000 - \$5,000/\$10,000, PPO 800, and POS 298.

NEWBORNS ACT DISCLOSURE - FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called "fiduciaries" of the Plan, have a duty to operate the Plan prudently

and in the interest of you and other Plan participants.

No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 per day, until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

Assistance with your Questions

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Orchard Park School District has determined that the prescription drug coverage offered by the Highmark Blue Cross and Blue Shield is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Orchard Park Central School District coverage will be affected. If you joined a Medicare drug plan after a COBRA qualified event, your COBRA coverage may end.

If you do decide to join a Medicare drug plan and drop your current Orchard Park Central School District, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with [Insert Name of Entity] and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Orchard Park Central School District changes. You also may request a copy of this notice at any time.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution – as well as your employee contribution to employer-offered coverage – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer – sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Orchard Park Central School District	4. Employer Identification Number (EIN)	
5. Employer address 2240 Southwestern Blvd	6. Employer phone number 716-209-6352	
7. City West Seneca	8. State New York	9. ZIP code 14224
10. Who can we contact about employee health coverage at this job? Nanette Wagner		
11. Phone number (if different from above)	12. Email address nanettewagner@opschools.org	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
☒ All employees. Eligible employees are:

- ☐ Some employees. Eligible employees are:

- With respect to dependents:
☒ We do offer coverage. Eligible dependents are:

- ☐ We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard*, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

• An employer – sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36 B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
