

DANSVILLE CENTRAL SCHOOLS—Spring/Summer '23

Dear School Community Members,

What's old is new again every June in our schools! Our students have worked hard, learned well and have grown. Our faculty and staff can now look back and take pride in their year long effort to help our students achieve their full potential. There have been challenges, maybe even some bumps along the road, but here we are again with another year behind us and it's time to celebrate!

Celebration is more than taking pride in our accomplishments. A big part of celebrating is gratitude. Our students say thank you to teachers who never gave up on them, thank you to coaches who pushed them and encouraged with positive words, thank you to principals who have enormous responsibilities and worked so hard to coordinate everything, and thank you to parents for unconditional love and support.

Being a committed student is hard, especially with all of the distractions these days. In the age of technology, artificial intelligence, and Chat GPT, I am reminded that old fashioned academic discipline, uninterrupted concentration, a good book in hand, and a safe place to challenge one's mind with pen and paper are the prerequisites to learning. We've learned that technology can enhance learning but unchecked it can contribute to distraction that interrupts healthy cognitive development.

This June, I am reminded that our classrooms are safe places that balance traditional learning with supercharged technology-based learning and rapid assessment. I'm grateful that our students and faculty have all of the tools at their disposal to teach, learn, and achieve. Along the way we have developed stronger character in our students and watched them advance to the next level. These hallmarks are something to be proud of, for all of us who are members of the Dansville School Community. We wish you well this summer! Congratulations Seniors! See you at graduation!

Yours in Education

DANSVILLE HIGH SCHOOL
MUSTANGS ATHLETES

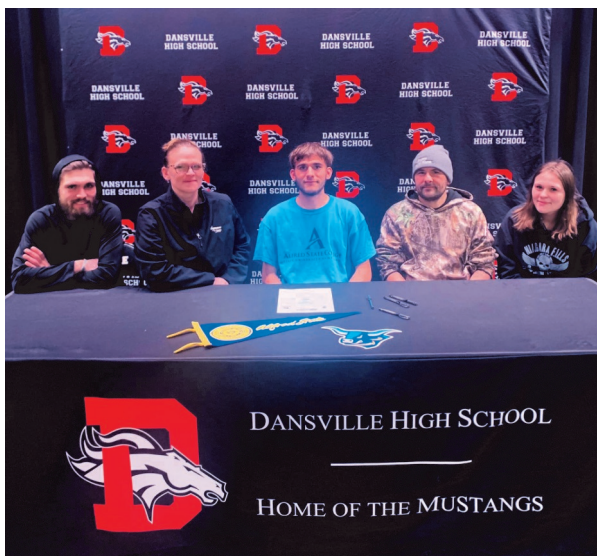

Signed!

Maggie Bacon (Cross Country & Track) - St. John Fisher University to study sports management

Zack Kreiley (Swimming) - SUNY Cortland to study exercise science

Patrick Puffer (Track) - Alfred State to study welding

Dawson Wadsworth (Track) - SUNY Geneseo to study education and administration

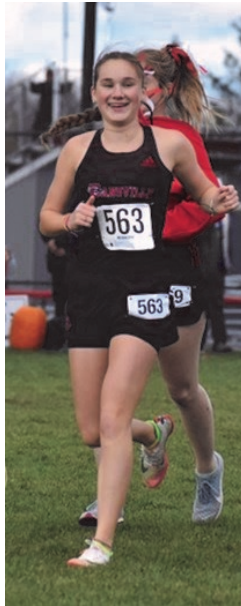

MUSTANG SPORTS ACCOLADES

Indoor Track Section V Scholarship Winner

Maggie Bacon: Maggie has been participating in Indoor Track since 8th Grade. She also participates in both cross country and outdoor track. Maggie shares that one of the memories from participating in interscholastic athletics she will miss most is “the bond created with my teammates and competitors”. After high school, Maggie plans to attend St. John Fisher College to study Sport Management. Maggie states the one word that best describes her is “supportive”.

On April 24th, 2023- Coach Conklin, Ivan Wolf-Mialky, Kaitlyn Lee, Callie Little, Brianne Hurlburt and Reid Martin traveled to Pinnacle Sports Complex located in Victor, New York for the annual Section V Athletics Leadership Conference. This year, student athletes learned about BALANCE. Specifically, finding a balance within time management, communication, proper nutrition (pre and post fueling) and mental health. This conference gives student leaders a chance to bring valuable knowledge back to their respective teams.

Mustangs of the Month: November

Ashlyn Schledorn – Winter Cheerleading

Ethan Canfield- Boys Basketball

Brandon Foster - Wrestling

Haley Beman – Girls Indoor Track

Corey Beman – Boys Indoor Track

Chelsie Tyler - Girls Basketball

Section V Champion and State Participant:

Girls Cross Country Team

Mustangs of the Month: December

Dawson Wadsworth - Boys Basketball

Ethan Canfield - Boys Indoor Track

Aynsley Belcher - Girls Basketball

Brianne Hurlburt - Girls Indoor Track

Hannah Bennett - Winter Cheerleading

Elijah Bender - Wrestling

Mustangs of the Month: January

Boys Track Team—LCAA Div. 1 champs

March Madness

The 2022-2023 Entrepreneurship class hosted the first annual Mustang Madness event in March with help from our local Rotarians. The student versus student basketball game featured a host of juniors and seniors while the faculty sharp shooting games provided some levity between quarters. The entrance fee was donated to the Genesee Valley Rotary Camp to help offset the rising cost of feeding the campers this upcoming summer.

Letter from Melissa Goho, Primary School Principal

Dear Parents and Community,

June is a time to celebrate accomplishments along with finishing up the year strong! Our goal is for students to be as ready as they can be for the next school year in the areas of academics as well as learner and leader habits. Along with finishing up the current units of instruction, we will be assessing students to see the progress they have made throughout the year, going on field trips, honoring Flag Day, holding a field day event and whole school lunch, having end of year classroom celebrations, and inviting students to a moving up day where they will meet the next grade level of teachers. Families will also be busy celebrating DPS students at the following events: 4PK Career Parade and Celebration, 2nd Grade General Music Informance, Kindergarten Graduation, and our DPS Morning Meeting Leadership Celebration. We also invite families to bring students to our upcoming Camp Read-A-Lot event where students get to engage in literacy as well as STEAM activities and projects.

The arts were highlighted in the month of May at DPS. We had a phenomenal district wide art show display in the halls of the High School that included artwork from every DPS student. Miss Pullen has certainly been inspiring our students as their creativity and talent was on full display. Also, Rev Theatre visited for a performance titled Huff and Puff: A Pig Tale. The performance included well-known fairy tale characters - Three Little Pigs and wolf, Rapunzel, Goldilocks, and Troll (from The Three Billy Goats Gruff). In the end, the characters all learned the importance of listening to one another and working together to make sure that everyone is happy, healthy, and well taken care of. At the end of the assembly, a few students had the opportunity to ask the performers questions and learned that the performers will respond to letters that they receive. This was a great opportunity for students to practice being a good audience member, learn more about theatre, and of course learn how to be a caring friend!

We have continued to hold monthly whole school morning meetings to build our sense of school community, learn more about the Leader in Me habits (be proactive; begin with the end in mind; put first things first; think win-win; seek first to understand, then to be understood; synergize; and sharpen the saw), honor students who demonstrate each of the habits, and of course just to have fun together! I've been so impressed by the Student Lighthouse Team for helping to lead these assemblies with Mr. Grimsley and thankful for the behind the scenes help of Miss Petrillo, Mrs. Dale, Mrs. Doggett, and Mrs. Grimsley.

We are preparing for another summer program for our current 4PK through 2nd grade students. Invited students will learn and practice reading, writing, and math with a classroom teacher for two hours a day in the morning, four days a week.

I wish all the second graders and their families the best of luck as they prepare for the transition to EBH and I look forward to watching our current preschool to first grade students learn and grow next school year! Enjoy the warmth, sun, and fun experiences that summer brings!

Best,
Melissa Goho

Honoring Mia!

Mia, a kindergarten student at DPS, has been working hard with all of her teachers. In honor of her accomplishments, she got to celebrate her hard work with Mrs. Bancroft and Remington.

DPS STEAM Lab

Lots of laughs in the STEAM Lab while 4PK was learning to code and move a SPHERO mini using the drawing feature. They are looking forward to adding more obstacles for them to try.

Eggstravaganza

The special area team provided DPS students with a fun Easter Eggstravaganza event before spring break! The weather was a little chillier than we hoped for, but the pictures capture how much our students enjoyed the moment. They searched for Easter eggs, got a prize, and did some heart pumping exercises. We had a very special bunny visit (aka Mr. Grimsley) and our 2nd grade Student Lighthouse members took on a leadership role as they dressed up as a bunny or mini-mustang to add to the excitement.

A PreK friend taught her class how to code and operate Botley. She and her family donated the jr. robot to the DPS STEAM Lab and she wanted to lead her class through how to make it move. She did an amazing job and even worked through the hiccups that came up with technology.

DPS TA Joie Petrillo Receives National Certificate

Dansville Primary School teaching assistant Joie Petrillo was awarded the National Certificate for STEM Teaching, the #1 STEM teaching certification in the country. Described as "dedicated and diligent," the experience was a reminder of why all great teachers begin teaching; Ms.

Petrillo is incredibly excited to continue fostering bright, independent learners. Joie said "I find this accomplishment both personally and professionally fulfilling," and says she has already begun applying more advanced lesson scaffolding techniques as well as encouraging increased communication amongst fellow educators for student success.

The National Certificate for STEM Teaching is an online, competency-based professional development program for preK-12 teachers. It focuses on high-impact STEM instructional strategies that work synergistically across content areas. Designed with working educators in mind, the NCST is personalized, job-embedded, standards-focused, and convenient. Participants can start the 100% online, self-paced program at any time, with support from a virtual STEM coach.

4PK students enjoyed a visit from the Zoomobile. They got to see animals that use their senses in ways that are different from us, such as a turtle, rat, and snake.

Letter from EBH Principal, Lisa Allen

Hello from EBH!

As the school year winds down, we have so many things to celebrate and look forward to! Classes have End of Year celebrations and field trips planned. We also have our annual Olympics coming up during the last week of school. The long standing tradition of Flag Day/Leadership Day continues on Friday, June 16 in our Courtyard at 9:45. Fingers crossed for cooperative weather.

Even with all of the fun things, we continue to learn. Students are working hard to finish the year strong. It can be hard to do homework or focus in class when the weather is so nice, it is light longer in the evening and we want summer to come! We appreciate the family support we receive to keep everyone focused.

As you know, this is my last year as the EBH Principal. After 32 years in education, I am retiring. While I am very excited about this next chapter - it brings some sadness. I am able to look back with many fond memories from my various positions over the years. Being a part of EBH for the past 10 years has allowed me to return to my hometown area. I grew up in this area and it was nice to see familiar faces and even hire and work with some of my former students as teachers!

During my time at EBH, I have been very grateful for the people I have been able to work with. The group of adults that interact with your children every day are committed to doing their best and wanting the best for our students. They look out for, worry about and cheer on your children. They advocate for them to get the support and activities that they deserve. I am proud of the number of clubs and activities that have been offered at EBH - the list grows every year. I am also very grateful for the families that I have been able to interact with and learn from. Every conversation has allowed me to get to know your child a bit better. I have also been able to count on your support at home in so many ways. In this role, I often have to make those tough phone calls but I have been able to count on the families to work with us to support their child. That means the world to me!

The students at EBH? They are why we come every day. They are fun, funny, creative, energetic, smart, amazing and good people. We have worked hard as an EBH family to learn about being a leader and doing the right thing. I think that we can say EBH students are pretty amazing. I will miss their comments, jokes and stories. You have wonderful kids!

I am proud of the work we have done to be a Lighthouse School. We worked hard to make our environment more pleasant and to offer many ways for students to lead in our school. The 7 Habits are life long habits that will serve all of us well. I firmly believe that our number one job is to help students become good people. Kind people. Respectful people. Academics are important but instilling the importance of being a good person and to work hard for what we want will allow our students to be successful adults.

Thank you for allowing me to be the EBH Principal and trusting me with your children. It has been an honor to be part of your world for 10 years. I wish all of you the best and have a wonderful summer!

All my best,

Lisa Allen

Introducing

Letter from Incoming EBH Principal, Megan Wideman

Hello Dansville Community!

I am incredibly honored to become the new EBH Elementary Principal and to join this extraordinary school community! This is my eighteenth year in education and I bring to EBH seasoned experience as a reading teacher, literacy coach, and building administrator. I am very excited that EBH is a Lighthouse Leader in Me school because I have believed in and promoted this program for the last fifteen years! I firmly believe that every child can excel and that strong partnerships between home and school build confidence in students to use their skills to be leaders in their life and learning.

In addition to my role as an educator, I am blessed to be the mother of two and a new mother to three additional children! In July, we will be getting married and formally uniting our blended family. My new family includes my soon-to-be husband and the most wonderful man I have ever met, Ken. His daughter Brittany, her husband Patrick, and two grandsons are a military family living in South Carolina. We live in Penfield with my new son Nicholas, a young adult juggling a new apartment and job. My daughter Elise just finished her first year at Oswego as an Anthropology major. My new daughter Courtney is a junior at Penfield High School and my son Silas is a junior at Fairport High School. It has been an interesting year acclimating to living together along with our three dogs and a cat! Needless to say... I have a very busy home life!!! I will be changing my name to become Dr. Megan Crine this summer!

Once I start my journey as the EBH principal, my central focus will be to support a positive and productive culture to empower all stakeholders to be active participants in the social, emotional, educational, and developmental growth of all students. My priority will be to develop positive and collaborative relationships with members of the school and community and gain insights into the core beliefs, culture, traditions, and values of the school in order to alleviate the uncertainty that comes with having a new principal. I am committed to supporting current valued and successful initiatives, exploring new ways to meet the needs of all students, and ways to communicate more effectively with teachers and parents.

To all EBH students, I cannot wait to meet each and every one of you! It will be a priority for me to develop positive and constructive relationships with students throughout the school year. I plan to greet you at the door every morning, visit classrooms daily, get to know you at lunch, and see you throughout school activities. I cannot wait to build lasting school memories! If you are nearby the school at all this summer, please stop by and say hello!

In closing, please know that my door is always open and I heartily welcome your conversation and positive input throughout this year. Let us always keep our students the primary focus of our work. I hope everyone enjoys the rejuvenating days of summer and that you and your children are looking forward to beginning a wonderful school year together and celebrating our collective successes in the 2023-2024 school year.

Sincerely,
Megan Wideman

8 Things You Must Know About New EBH Principal, Dr. Wideman!

By Adryanna Arriaga

1. Where are you from?

Dr. Wideman grew up as the youngest of three in Honeoye Falls-Lima. Much like Dansville it was a small and very connected community, with easy living and a lot of heart. She now lives in Penfield, NY with a growing family.

2. What goals do you have for the EBH?

Her main goal is to build strong relationships, and get to know the kids she's working with. For her it's not enough to know a name she wants to be invested with these kids in maintaining the excellence and pride of EBH.

3. Dansville is a small town, why did you choose Dansville?

Not only does she love our small community, she also loves our values. Not only does she value being a leader herself but also The Leader in Me program which is of major importance in the EBH.

4. What are your hobbies?

Everything from hiking, gardening to photography, nature is her playground. As well as being a budding writer, with a few children's books and actively working on a novel. Her hobbies are both active and adventurous.

5. What's something you want everyone to know about you?

Family is everything. With a newly growing and blended family she is cherishing every moment of this journey. Soon enough she will be getting married, Congratulations!

6. What motivates you?

Her motivation is the kids. She has found that working with elementary aged kids is the perfect age for her. To be a role model and be a part of really great learning moments where kids discover their skills, abilities, leadership and or potential.

7. What superpower would you choose for yourself? Give me an example of how it would apply in this job.

Her superhero alter ego is named Doctor Frosty for their ability to be so chill. Doctor Frosty is an extremely understanding hero and is open to new things. As Mrs. Wideman says, "I own my weirdness."

8. How would you describe yourself in one word? Why?

"Enthusiastic." Children at their age need someone that is energetic, silly, and appreciative of accomplishments and opportunities. Mrs. Wideman lives by the saying that it's better to be happy.

"I want to have contagious enthusiasm at EBH so everyone feels excited to be at school and learn everyday." - Your New EBH Principal Mrs. Wideman

EBH Celebrates Leaders

EBH celebrated our Leaders ! These students demonstrate the habit Synergize regularly. Thank you for being team players and making EBH great!!

At the EBH Leadership Assembly in April, students were invited to plant a pinwheel in our front garden. April is Child Abuse Prevention Month and pinwheels are a symbol of hope. Each class came out to join in throughout the day! Thank you to Mrs. Gunderson from the Family Resource Center for arranging this for us! The FRC is located at EBH - come see her!

Cooling Off After State Tests

Jo Jo's Cool Bus came to EBH! We celebrated being done with ELA state testing and the end of Spirit Week. Student Council helped make this possible. Thank you!!

Career Exploration

Throughout the month of June Mrs. Duffy's class is visiting businesses in Dansville to learn more about our community. They have "passports" that get stamped at each spot they visit! They can't wait to add more businesses to their list.

Autism Awareness Celebration

EBH student celebrated Autism Awareness at Dansville Schools. Everyone wore blue and learned about autism. Mrs. Duffy's class did fun activities and had a blue party in honor of autism.

The EBH Rise Up & Run Club completed the Dogwood 5k. Great job!!

Third graders just finished reading Because of Winn Dixie by Kate Dicamillo. We recreated a scene from the book, complete with egg salad sandwiches from our cafeteria, Dump punch, Littmus lozenges, and pickles!

Letter from David Moodie, High School Principal

Dear Parents and Community Members,

Congratulations to the Class of 2023! They will be formally recognized at the Commencement Ceremony on June 23rd at 8pm (Location: Dansville Central School District - Sports Complex).

This was an outstanding school year! At DHS we achieved new levels of success academically, athletically, in the fine arts and with our focus on social & emotional learning. Dansville High School's motto: **Learn - Lead - Succeed** has never been any truer. Over 500 postcards have been mailed home by DHS employees to recognize students for their efforts to achieve our core values (this is over 100 more than last school year). Additionally, about 50 students in 7th & 8th grade have redeemed "Mustang Money" that was earned for exemplifying the characteristics associated with learner responsibilities.

April, May and June include a lot of academic assessments. Students in 7th & 8th grade took NYS ELA and Math exams. While students in 8th grade took the NYS Science exam. Results from the state exams are typically available in September. Over 40 students in grades 10th-12th took at least one or more Advanced Placement Exams (results will be available on July 5th). Students associated with Regents courses will take Regents exams in late June. I appreciate our faculty for their hard work throughout the school year to prepare students to be successful on the exams.

Our students have been very fortunate to participate in a variety of field trips this school year. These opportunities build interests, enhance knowledge and expose students to cultural experiences. They are an important part of the educational process. You can see examples of such field trips in this newsletter and on our district's Facebook page.

As we move closer to the end of the school year, it is important that we continue working together to meet the needs of our students. For our future 7th graders, we are so excited to have you join DHS. You will receive information this summer about our 7th grade orientation program (Pony Express).

As always, please reach out to your child's teachers, counselors or administrators if you have any questions.

DHS Principal

A handwritten signature in black ink that reads "Dave Moodie". The signature is written in a cursive style.

Dave Moodie, DHS Principal

Upcoming Events:

- Grad Walk / Parade: June 12th at 1pm
- All Sports Boosters Banquet - June 12th at 6pm - DHS Auditorium
- NHS Ceremony: June 15th at 7:30pm - DHS Auditorium
- Senior Scholarship Ceremony - June 21st at 6:30pm in the auditorium
- Graduation: June 23rd at 8pm - Sports Complex

SPECIAL STUDENT ARTICLE

The Class of 2023 is Breaking Free!

By Adryanna Arriaga

It's almost time!

Although, for the Graduation for the Class of 2023 it is anything but traditional. For the first time since their freshman year, these seniors have experienced a full school year with no masks, no temperature checks, and no desk dividers! So how does a class that's never experienced a "normal" year of high school define their Senior year? They define it by breaking tradition and showing off their school spirit, let me tell you these seniors have grabbed this Mustang by the reins! Full speed ahead they have ditched missed experiences from the Pandemics and created something new for themselves and the classes to come.

"All the senior nights go by in a blink of an eye. Thinking back to your fall sports and realizing you will never be back on that team again. But I definitely made a lot of memories during the last year here. I'm ready to leave and start a new chapter of my life but I will always remember where I came from." -RN

As a young kid, you never think that you will be a senior or even in high school; then you finally get to that checkpoint and it's nerve-wrecking, yet exciting." -CM

Being the first to experience a lot of things feels really great knowing that our class will be remembered. Creating new customs for the younger classes to have makes me feel like I'm leaving my mark on DHS." -AA

"During this year sometimes I would forget that Covid happened, then I remembered the years I lost to it." -LK

First Senior Night at the New Sports Complex

First Musical in the New Auditorium

First Senior Sunrise

First Post-Covid Homecoming

It's a bittersweet ending for such an eventful year. From being the first of many, new events, to even creating a nickname for the mascot there is no doubt The Class of 2023 has made quite the name for themselves. But, they couldn't have done it without the support of the community and the DHS Administration.

At DHS we learn, lead, and succeed, or as the Class of 2023 would say **"GO STANGZ!"**

High School Rotary Club Students of the Month

The Dansville Central Schools “Rotary Club Student of the Month” has changed a bit from years past. Students are selected based on the Rotary “Four Way Test”:

By applying the “Four Way Test” to student nominations, we will be able to acknowledge students who are consistently helping others, volunteering their time, and generally being model students and citizens.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

We are proud to announce the following students as January, February, March, April, May and June “Rotary Students of the Month”:

JANUARY 2023 STUDENTS OF THE MONTH

Braelynn Potter

Parents: Kevin Potter, Diantha Potter

Honors/Activities: Soccer, Competitive Dance, Cross Country, and Track and Field. National Honors Society, Livingston County Teen Award, Script D, Varsity D, NYSPHSAA scholar athlete, Section V cross country champion.

Future plans: I will be attending Villa Maria College and majoring in interior design.

Collin Gray

Parents: Lindsay Lohman and Justin Walker

Honors/Activities: Varsity D (Soccer, Basketball, Track), 2x LCAA All-Star (Basketball), LCAA D1 League Champion (4x100m relay), LCAA D1 League Champions (Basketball), Honor Roll, Exceptional Senior (Soccer & Basketball), Livingston County Teen Recognition Award, National Society of High School Scholars.

Future plans: I plan to attend Keuka College in the fall and get my master’s degree in business management. I want to eventually be involved in managing a sports team.

FEBRUARY 2023 STUDENTS OF THE MONTH

Lindsay Flick

Parents: :Lisa Flick, Damon Flick

Honors/Activities: Skiing, 4-H, National Ski Patrol, NHS

Future plans: SUNY Geneseo for a bachelors in biology, then medical school.

Dawson Wadsworth

Parents: Derek and Judi Wadsworth

Honors/Activities: Varsity D: Track, Basketball, Soccer. Gary Lark Lemen - Dedicated Junior Athlete Award. LCAA All-Star (Track & Basketball), Exceptional Senior (Basketball), Script D Award, National Honor Society, D1 League Champion for Basketball (2022).

Future plans: Attend SUNY Geneseo for education and eventually obtain an administrative certification to have a career as an athletic director or principal.

High School Rotary Club Students of the Month

MARCH 2023 STUDENTS OF THE MONTH

Kyle Porter

Parents: Greg and Chrissy Porter

Honors/Activities: Varsity D: Football & Wrestling; Honor Roll, Graduating with Academic Honors

Future plans: Attend Alfred State for Electrical Engineering.

Lilliana Karch

Parents: David and Cheridee Grice

Honors/Activities: NHS, Pony Express, Volleyball, Tennis, Drama Club, Chamber Choir, Chorus.

Future plans: Attend SUNY Brockport to major in adolescence education with an English concentration.

APRIL 2023 STUDENTS OF THE MONTH

Ally Schirmer

Parents: Brian Schirmer & Marcy Schirmer

Honors: Script D, Varsity D, Teen Recognition Award, Sectional and League Champions in Cross Country, Honor Roll

Activities: Cross Country, Indoor and Outdoor track, National Honor Society, Pony Express, Class Officer: Public Relations

Future Plans: Attend Alfred State to study Nursing in the dual degree (associates and bachelors) program and become a Registered Nurse

Adryanna Arriaga

Parents: Carlos Arriaga and Amy Mackenrodt-Arriaga

Honors/Activities: Soccer, Tennis, Indoor Track, NHS Vice President, NJHS Vice President, International Club, Pony Express, Chorus, Chorus Council, Class Council, Honors Academy, Concert Band, Marching Band, Drama Club, Prom Committee, Innovation and Creativity Award (RIT), Frederick Douglass and Susan B. Anthony Award (U of R), Triple "C" Award, Honor Roll, and most recently the School Newsletter.

Future Plans: To attend SUNY Geneseo for the fall semester of 2023, Majoring in Communications to pursue a career in Human Resources and Public Relations.

High School Rotary Club Students of the Month

MAY 2023 STUDENTS OF THE MONTH

Sofia Rodriguez

Parents: Jennifer Rodriguez and Steven Hall

Honors/Activities: National Honors Society, Honor Roll, Script D, FBLA President, Pony Express Leader, Cross Country Sectional Champion, XC LCAA All-Star (2021, 2022), Division 1 Team League Champions (2021, 2022), Teen Recognition

Future Plans: Attend St Bonaventure University to study pre-med biology and become a physician's assistant.

Tyler Harris

Parents: Paula Dudek

Honors/Activities: Varsity Soccer (League and Section V All Star), Varsity Basketball (League Champion - 2022), Varsity Track (2022), Varsity Golf, National Honor Society, Livingston County Teen Award.

Future Plans: Attend SUNY Brockport for physical education.

JUNE 2023 STUDENTS OF THE MONTH

Carlee Vogt

Parents: Jason and Kelly Vogt

Honors/Activities: Student council, Script D, Honor Roll, Graduating with Academic Honors

Future Plans: Attend Alfred State for Nursing.

Herbert Thompson

Parents: Herbert Thompson & Elizabeth Parker

Honors/Activities: Script D, Varsity D (Swimming), NHS, NJHS, St. Bonaventure Bonnie Scholarship, RIT Computing Medal, RIT Presidential Scholarship, Brazilian Jiu Jitsu, Playing the Bass Guitar

Future Plans: Attending Rochester Institute of Technology to study engineering

Mustangs of the Month

At monthly department meetings, discussions involve selecting students to represent the department as a Mustang of the Month. Each member of the department has the opportunity to nominate a student. The positive conversations that occur during this time are meaningful and celebratory in nature. Students who are selected receive a certificate and their picture, as well as, reasons for being selected are publicized. Who will be the next Mustang of the Month?

Digies Festival Winner and Participants

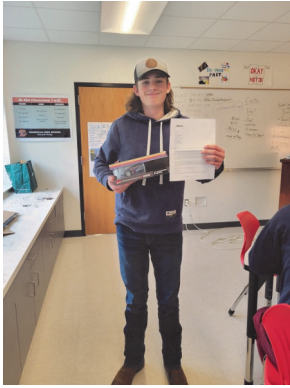

Members of the Digital Arts Foundation class with guidance from their teacher, Matt Buckholz, created entries for the 17th annual Digital Media Festival (commonly known as “The Digies”). Students created their original artwork for submission into the Interactive Media, Video, and Graphic Arts categories. Ethan Taft received 3rd place for his entry into the video category. Other students who submitted their artwork are: Adryanna Arriaga, Erin Elwell, Yarrow Hanna and Addison Musto. Congratulations to these student artists.

DHS Chorus Takes Honors in NYC

Congratulations to the DHS band and chorus! At a competition in New York City, the HS band received a silver rating. The HS chorus received a gold rating AND they placed third in their division!! We are so proud of the kids :)

NASCAR Recognizes Student

Students in Career and Financial Management learned about business letters during the 3rd quarter and wrote business letters to a business or celebrity that they admired. Some students received responses back from their letters including Tyler VanAuken who received a letter and model car from Nascar!!

Students Learn From Local Business

The Outdoor Business Management class was hosted by Partyman Catering and learned about how the catering business works in an outdoor setting, primarily setting up an outdoor wedding. Students heard from the Joe, the owner of Partyman catering, talked about the creation of the business from him starting by himself to where it is now working on

multiple events most weekends and having several different departments working for him, in addition to moving into their current location and putting on a 2nd story to house all the offices. Student's got the opportunity to fully set up everything they would need for a mini event (their lunch) and worked with staff to get tables, chairs, linens, as well as everything else that would be needed. Carson and Parker both tried to successfully ratchet strap a tote to a cart so it wouldn't fall off in the box truck during transit which is something the staff loading trucks often has to do.

DHS Sophomore Honored for Leadership

Senator Pamela Helming, 54th District, shared that DHS sophomore Haidyn Scollon is nominated for the 2023 NYS Senate Youth Leadership Award Program. The New York State Senate's Youth Leadership Recognition Award program recognizes high achieving young people in academics, extracurricular activities, and volunteerism.

Haidyn was celebrated in May at a ceremony where Senator Helming recognized all the students that were nominated. Congratulations, Haidyn!

Aladdin on Stage

7th and 8th Grade Band and Chorus members saw "Aladdin" at the Rochester Auditorium Theater. The students were engaged the entire performance and really enjoyed every minute of the show!

Learning to Can Fruit

Mrs. Bacon's Culinary class had the privilege of working with Mrs. Blum, HS Librarian, to learn about the canning process. Students learned how to cut, slice, and to can pears. Mrs. Blum also brought in a variety of her own canned items for students to sample and learn more about the canning process.

WOOGLE WEEK!

The consumer math class ran a model economy. Students that worked in factories bought raw materials to build "Woogles" and sold them to the stores. The students in the stores packaged them and sell them to the customer group for a profit. The customer groups worked on coding on code.org to earn money to spend at the stores. There are two of each group to encourage healthy competition, and provide choice in price and quality. Each group also had to maintain a checking account as well as balance their budget and pay bills for rent and utilities each day. Overall the class had the opportunity to see how capitalism works, and each group came to realize how important it is to keep track of their finances to pay their bills on time!

Students Explore Career Paths

The DHS counseling department took all of the 8th graders to GV BOCES in Mt. Morris to explore some of the programs that will be available to them in 11th and 12th grade. Students had a great time hearing from the teachers of the programs, talking with the current students, and seeing the tools and equipment of the trades. It's an exciting time to be thinking about their futures and possible career opportunities!

Special Olympics

Six Dansville students competed in the Genesee regional swimming invitational for Special Olympics. Each athlete spent 8 weeks training before the invitational.

Leland Ebert
Gold in both the 15m assisted swim and 15m walk

Landon Hilyard
Silver in both the 15m assisted swim and 15m walk

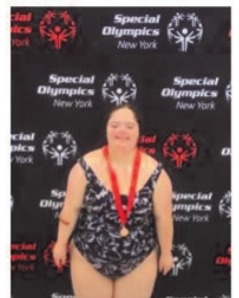

Hannah Graham
Gold in 25m kick-board, Bronze in 25m freestyle and Silver in 4x25m relay

Briley Jerome
Gold in 25m freestyle and Silver in 25m kick-board

Madeline Gibson
Gold in 15m walk and Silver in 15m assisted

Madison Wood
Silver in 25m kick-board and Bronze in 25m freestyle

Congratulations to the following Dansville Olympians (Genesee Region Track and Field Events)

Eli Barrett: Silver in the softball throw & Bronze in the 100 meter walk.

Leland Ebert: Gold in the softball throw and 50 meter dash.

Landon Hilyard: 4th in the softball throw.

Briley Jerome: Gold in the softball throw and Silver in the 50 meter dash.

Madison Wood: Gold in the softball throw and Bronze in the 50 meter dash.

Hannah Graham: Bronze in the 100 meter dash and long jump.

Special shout-outs to:

- The Moodie Family for the t-shirts.
- Mr. Chris Murphy for the banner.
- The high school buddies for being so helpful.

DCSD Board of Education Celebrated Students For Outstanding Achievements.

- Junior High - All County Chorus: David Sick, Lily Barron, Avalyn Hall, Paisley Cosimano, Cynthia Forrester, Brett George, Benjamin Parker
- Senior High - All County Chorus: Wyatt Swift, Arryl Gerber, Justin Maine, Gage Frazier, Atali (Dallas) Forsburg, Kaitlyn Lee, Olivia Miller, Arabella Fronk
- Senior High Area All - State Chorus: Gabriel Doe, Gabriella Telesca, Kaitlyn Lee
- Junior High Area All - State Chorus: David Sick, Kaelyn Oliver, Kassidy Cole and Lily Barron
- GVSMA Jr. High All County Band: Morgan Ball, Azlyn Berry, Adanya Blair, Jaylynn Bridge, Roxanne LePree-Comer, Ellie Woodard, Marcus Sage, Carter Saylor, Collin Wilson
- All County Band: Gage Frazier, Arryl Gerber, Emma Mackey

The DCSD Board of Education celebrated our 2023 Valedictorian, Jeff Birmingham and our Salutatorian, Gabe Doe. Congratulations!!!

**Valedictorian,
Jeff Birmingham**

**Salutatorian,
Gabe Doe**

#DansvilleMustangProud

Jeffrey Birmingham

Office of the New York State Comptroller
In recognition of hard work, dedication and success

Callie Little

Dansville/Wayland-Cohocton Girls' Alpine Ski
Team 2023 Section V Class B Champions

Adryanna Arriaga and Atoli (Dallas) Forsburg

Office of the New York State Attorney General
*Triple "C" Award - In recognition of **Courage** to meet challenges, **Commitment** to bettering yourself which makes you a role model to others and strength of **Character** to guide you in making the right decisions in the future.*

Students Earn Chemistry Awards

Each year, the Rochester Section of the American Chemical Society honors the top students taking chemistry in a six county region (Orleans, Monroe, Wayne, Genesee, Livingston, and Ontario). Jeff Birmingham and Ella Frazer represent the top 20% in AP Chemistry for DHS. Briana Blair, Ketsia Corbett, Alex Daly, Cameron Delaney, Abby Kendall, Erik Stoner, Casey Youngers, and Ivan Wolf-Mialky were the top 10% in Regents Chemistry. Congratulations to these students on their academic achievement!

Tech Wars 2023

DHS takes 2nd overall in GLOW region!!!

A banner day for all who attended Tech Wars 2023! Dansville came away with an overall 2nd place in the High School engineers cup. Congratulations to all participants, you all did an amazing job!!!

Our team placed in the following events:

1st & 3rd place HS - Logo - Ella Frazer, Sawyer Lohrman

1st place HS - Trebuchet - Alex Schuster, Lucas Mensinger, Brian Geiger

1st & 3rd lumber labyrinth robotic challenge - Emma Mackey, Cole Thompson, Karson Qiu, Isaiah Goins, Jeriah Barrows

2nd place - Both HS & MS CO2 cars - Alex Schuster, Aiden Geiger

2nd Place HS - Sumo bots - Lucas Mensinger

2nd & 3rd place MS - Logo - Chloe Bosley, Mollie Herman

Tech Wars affords GLOW Region students an environment where students and staff work collaboratively to expose and expand knowledge in the disciplines of engineering through fun, hands-on, challenging activities in multiple venues.

Our Goal, Our Passion...Our goal in hosting this event is to allow students to take what they learn in the Technology classrooms and compete in a hands-on educational yet fun program. Specific events are listed on the rules page. Hopefully the interest in this competition will help to boost enrollments of technology classes because what is learned there can be transferred to the world of home and work almost on a daily basis. Ultimately the imagination of some students may go beyond the classroom where they develop such a deep interest in Technology that they make a career of it. Someday those students may come back as a teacher or mentor of the technology students of the future.

Congratulations to this year's DHS 2023 Teen Recognition Winners

These awards are earned by high school teens as young as 15 who are committed to community improvement, demonstrate leadership, or are role models for others because they have overcome personal challenges.

2ND ANNUAL DANSVILLE ALUMNI WEEKEND!

Ways you can participate:

- Play Golf, Play Pickleball, Play Corn Hole
- Enjoy a steak dinner
- Come for music and dancing
- Sponsorship
- Purchase a memorial Mustang
- Donate to Basket Raffle
- Volunteer
- Train Ride Sunday Brockport to Medina

There are many ways you can participate near and far.

More information can be found at
