4th Grade All About Math Day

Throughout the course of the school year each grade level will welcome a guest to visit their math class. The opportunity provides some insight as to what goes on during a typical math class, allows the guest to observe the engagement with the curriculum, and learn about ways you can help at home. Our 4th grade team hosted their **All About Math Session** November 19th. Our 2nd Grade Team will host their **All About Math Session** Tuesday, January 14th at 9:45 a.m.

Harrison Gives Thanks to the School Community

Harrison proudly hosted one of five area Thanksgiving events sponsored by the Local Legend Foundation in collaboration with Molina Healthcare Saturday, November 23rd. Local Legend and Molina provided turkey donations for the school community. The Harrison Family Engagement Committee tied the Annual Harrison Turkey Trot to a community lunch that was served by the

Harrison Staff as a way to thank our Harrison families for their support. Food for the lunch was donated by staff and local Lakewood restaurants/businesses. A raffle included gifts that were donated by GV Art & Design and the Cleveland Cavaliers. This event truly embodied the competencies of the Vision of a Lakewood Ranger! It was definitely a fun time.

Local Legend Foundation
Founder: Shaun Crawford

Shout out to our local restaurants and our staff for food donations!

Lunch was Amazing!

Harrison Vision of a Lakewood Ranger Assembly

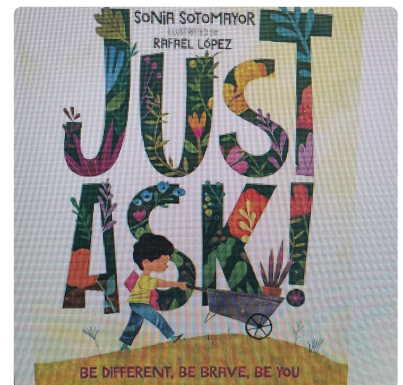

Last month students who had consistently demonstrated great communication skills were identified and recognized at our monthly assembly. Communication is one of the competencies connected to the Vision of a Lakewood Ranger. Congratulations to the students who were honored at the assembly.

Community Book of Focus

As we focus on the lens of our Vision of a Lakewood Ranger that encompasses Diversity, Equity, Inclusion, Belonging and Social-Emotional Learning, teachers will be sharing the book *Just Ask: Be Different, Be Brave, Be You* by Sonia Sotomayor as a read aloud in the classroom prior to our winter break. Students may engage in some activities as well centered around the book. Please know that in honor of the work we are doing with our students on the Vision of a Lakewood Ranger and the lens by which we view the vision, we are selecting books that encompass those related themes.

We are sharing our focus books with the Madison Library as well if you are interested in reading them as a family.

December and January's Social Emotional Learning Focus

Relationship skills are needed at every stage of life. During the months of December and January, we'll pay special attention to how we communicate, manage conflict and collaborate with each

other. Lessons will cover topics such as fairness, respect, and friendship with activities geared to students' developmental level.

Harrison PTA

Please consider joining the Harrison PTA!!!
