

Tuloso-Midway I.S.D. Parent and Family Involvement Policy

2023-2024

TMISD MISSION STATEMENT: *The Tuloso-Midway Independent School District educates every student to be lifelong learners, a person of integrity and a positive contributor to society.*

Tuloso-Midway ISD believes that family involvement is essential to a student's academic success. We believe that parent and family involvement is the involvement of parents and schools in meaningful, two-way communication regarding their students' academic learning and other school activities. Meaningful two-way communication ensures that:

- Parents are encouraged to actively participate in their children's education.
 - Parents have the opportunity to serve on committees and assist in school or district educational decisions.

We recognize that parents/families have the primary role in supporting their children's education and that good communication is essential for academic success.

Title I, Part A (Title I) of the Every Student Success Act (ESSA) provides financial assistance to schools with high numbers or high percentages of children from low-income families to help ensure that all children meet the state's demanding academic standards.

Tuloso-Midway ISD has two campuses that receive Title I funding: Tuloso-Midway Elementary School and Tuloso-Midway Middle School.

Title I-funded schools must provide a written parent involvement policy that outlines how parents can participate in their child's education and what they can expect from the district and schools. In partnership with parents of Title I schools, the following are three areas of assurance that the district and Title I schools will support family involvement:

PART I – GENERAL EXPECTATIONS

Tuloso-Midway ISD is committed to implementing the following legal requirements:

- The school district shall implement parent engagement programs, activities, and procedures at all of its schools with Title 1, Part A programs pursuant to section 1118 of the Elementary and Secondary Education Act (ESEA). Those

Programs, activities, and procedures will be planned and operated with meaningful consultation with the families of participating children.

If the LEA plan for Title 1, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of the participating children, the school district will submit any parental comments with the plan when the school district submits the plan to the State. Department of Education.

- The school district will involve parents of children served in Title 1, Part A schools in decisions about how the 1 percent of Title 1, Part A funds set aside for parent involvement is spent, and ensure that no less than 95% of that reserved percentage goes directly to schools.
- The school district shall abide by the following legal definition of parent involvement and expects its Title 1 schools to conduct programs, activities, and procedures in accordance with this definition:

Family involvement means parental involvement in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring: (A) That parents play an integral role in assisting their children's learning;
