Morgan West Spirit Week

Students enjoyed participating in SPIRIT WEEK in honor of this year's Homecoming. This year's themes included: USA Day, Patterns, Wild West Wednesday, Camouflage Day, and Morgan Spirit Day. Students and staff especially enjoyed the Pep Rally with the Morgan High School Marching Band, cheerleaders, and football players. Go BLUE!

To the left: Kash Ryan and Austin Rucker can blend in on Camo Day. Below: Carter Hughes and Karsyn McFarland cheer during the Pep Rally. To the Right: Maleigha Folk shows off her purple cowboy hat during Wild West Wednesday. Below: Gunner Price in his cowboy hat.

The Kid Kindness Committee at East is a group of some of East's kindest 5th and 6th graders who are looking to make a difference in our school. These students filled out an application, had to have a teacher recommendation, and had to pass a thorough check of their attendance, grades, and their previous year's behavior. Through this rigorous process, these fine students were chosen to represent their school and to help make sure kindness is a priority at East. In the future, the students will be making presentations on how to be a positive role model, helping with school rewards, and maybe serving a sweet treat or two to our students!

Science Technology Engineering Mathematics

Girls in Stem or a Random Act of Kindness? Either way Sydni Southall and Kendall Tompkins were caught using their knowledge of science and engineering to fix a piece of broken playground equipment. Not only was it kind of the girls to do that, but also very smart of them to think of different ways they could prevent the equipment from breaking loose in the future.

During Fire Prevention Week, members of the Malta-McConnelsville Fire Department visited East Elementary. Firefighters John "Buck" Finley, Ed Haines, and Dana Hivnor showed the students what they wear and allowed the students to try on their gear and look at the fire truck. East Elementary celebrated Apple Crunch Day on Friday, October 18th. Every student was given an apple and encouraged to take a bite at the same time. We would like to thank Rachel Ripp, from Rural Action's Farm to School Initiative, who donated over 600 apples to students in Morgan Local Elementaries this year.

Fourth (top), Fifth (below on the left), and Second (below on the right) grade students are enjoying their Apple Crunch Day Apples.

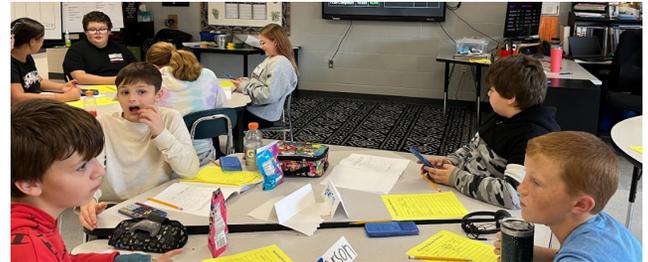

Lunch Buddies at Morgan East is a Big Brothers Big Sisters mentorship program. Once a week during the school year a child and a volunteer meet at the school library during lunch and together they complete crafts, games, STEM, and social-emotional activities provided. A program coordinator is always there to facilitate and supervise, and the volunteers undergo a background check, interview, and references before they match with a child. This free program is a great opportunity to provide each child with a positive role model and special friend while enjoying fun activities!

Handwashing Education

Mrs. Tracie Huffman, School Nurse Aide, presents a Handwashing Education presentation to the students of South Elementary. She demonstrates how soap and proper handwashing techniques can protect students from spreading germs. Global Handwashing Day was October 15th, 2024. Handwashing Awareness Week is December 1st through 7th, 2024.

Nurse Tracie shows the students how handwashing reduces the amount of germs.

Sixth Grade students designed their Fall Shoes. Brooke Taylor and the Candy Corn High Top earned a Second Place Ribbon. Olivia Norris and her Twix Running Shoe earned a First Place Ribbon.

In the front entrance of South Elementary School, the display case is a showcase for the talent of the students. On shelves one and three, sixth grade students made Paper Mache masks. On the second shelf, Paper Mache bowls made by fifth grade students. The bottom shelf showcases fourth grade students and their Paper Mache pumpkins.

Congratulations to Austin Dew, second grade student, for being the top raffle ticket seller for the Fall Festival this year.

Second grade students, Erik Martin and Austin Dew, look over a fire truck.

During Fire Prevention Week, members from Chesterhill, Pennsville, and Stockport Volunteer Fire Departments came to South to share fire safety tips with our students. The students got to take tours of the fire trucks and look at all their tools. The fire fighters taught the students about smoke detectors and the importance of having smoke detectors in their homes.

MORGAN WEST

Students at West have been learning about good nutrition through the Snap-Ed program. Kristina Moore has been visiting PK-2nd grade to share information about healthy living. Students have learned about the four food groups and been introduced to new foods that fit within those groups. They have also had the chance to get their bodies up and moving.

Recently, the fourth grade took a field trip to Flint Ridge Ancient Quarries & Nature Preserve. This is a Native American flint quarry where they learned about flint, Ohio's official gemstone. Students toured a museum on site that tells the history of how Native Americans used the unique rainbow-colored flint and took a guided hike to view old quarry pits that are still visible today!

Below: Avery Knapp and Raylan Edwards.

During the hands-on portion, students were able to use a tool to shape flint through a practice called knapping. They threw atlats at a deer target and used Native American tools to create a shell necklace.

To the left: Eve Claytor and Thomas Gifford.

West first graders took a field trip to Harvest Days at the Chesterhill Produce Auction. They had the opportunity to go on a hay ride, explore a walking trail, play in a corn pit and find their way through a corn maze. There were lawn games set up like corn hole, pumpkin bowling and giant Jenga. At the end, they were able to go out to the pumpkin patch and pick their own pumpkins.

West students recently celebrated back to school with their first House System activity. West students are divided into four houses; Delaboro, Concordia, Decorous and Excelsis. Each house has its own color and character trait. To celebrate this, we came together and each made a brick representing our house. They put the completed bricks together to create a "house" on the cafeteria windows. This will be a reminder that even though we are in four separate houses, we are one family.

<p>House Delaboro</p> <p>Character Trait: Diligence Color: Blue Symbol: Bull</p> 	<p>House Concordia</p> <p>Character Trait: Harmony and Peace Color: Yellow Symbol: Ram</p>

Each fall, West holds a scarecrow contest for families. Each family creates a scarecrow focused around a certain theme and then displays them in front of our school. This year's theme was sports. We had anything from cheerleaders to soccer players to gymnasts to bull riders. This is such a fun project for families to do together and it provides a beautiful fall decoration for our school.

MORGAN HIGH SCHOOL

Academic Successes

Morgan High School received a 3.5 star rating (meets state standards) from the Ohio Department of Education and Workforce. Areas of strength: closing achievement gaps with students, limiting chronic absenteeism, and achievement in areas such as English Language Arts and Math. Morgan Local CTPD (Career Tech Building within HS) received a 5 star rating (significantly exceeds state standards) from the Ohio Department of Education and Workforce. This is an excellent accomplishment! Areas of strength: Graduation rate, Career and Post-Secondary Readiness, and Post Program outcomes.

MHS Band Members: Trinity Humphrey, Bristol Golcar, Zaierra Caldwell, Kloe Stanley, Natalie Tabler, and Abigail Riggs.

OMEA State Marching Band Competition: Morgan High School marching band qualified for state competition this year. The band traveled to Piqua High School to compete in the 2024 OMEA State Marching Band Competition and received a "II" rating of Excellent. Congratulations Morgan HS Marching Band!

The Student Council hosted a Haunted House at the high school on October 26th. Staff and students worked hard to provide lots of scares and a fun time for all who attended. A huge shout out to the members of student council, Advisor- Mr. White and Mrs. Scott for a memorable night.

Signs and Smells of Fall, the Annual FFA Apple butter stir. Even a Burn Ban did not slow us down.

Many of the Agriculture/FFA students participated in the apple butter stir this year. While mother nature (dry) did not cooperate and propane tanks had to be used this year, many students still made the most of memories and laughter. Be sure to mark your calendars each Fall, as many Morgan FFA students sell apple butter.
