July 1, 2024

Pennsauken Families and Community:

I would like to take this opportunity to introduce myself as your Acting Superintendent. My name is Caroline Steer and I have proudly served in the Pennsauken Public Schools for the last eight years, first as an assistant principal at Pennsauken High School and then as Director of Elementary Education. Previously, I spent ten years in the middle school classroom as a history and language arts teacher.

I believe in student centered classrooms where learning is engaging and meaningful. Our district offers many pathways for students at the secondary level. Our CTE and dual credit programs will continue to grow and equip our students for the needs of the 21st century. At the elementary level, I am happy to say that we have implemented a sound structured literacy based curriculum. I will continue to work with stakeholders to improve the experiences and opportunities we offer for students throughout the district.

I feel honored to lead the district at this time and am committed to working with the Board of Education, staff, and families to create spaces where all students feel safe and can succeed. I encourage families to stay active in their learner's educational journey and to attend school functions to create meaningful relationships with teachers and principals. I look forward to meeting more families as the year progresses.

Respectfully yours,

Caroline Steer
