NORTH SPRINGS THEATRE PATHWAYS

Acting Track

This track is designed to immerse students in acting training and the production process in preparation for a major/minor in theatre performance and a career in theatre. Students will be introduced to processes of building a career in theatre through exposure to a range of acting techniques, production styles, and professional guest artists.

Professional Pathway

- College visits and in-house workshops
- Masterclasses and in-school residencies with professionals in the field
- Live performance experience

Non-Professional Acting Track

This pathway is designed to immerse students in acting training as a means of self-expression and connection to the world around them.

Technical Theatre Pathway

The Professional Technical Theatre track is designed to immerse students in technical theatre and design training in preparation for a major/minor in theatre design or production and a career in theatre. Students will be introduced to the processes of building a career in technical theatre through exposure to a wide range of design and production styles, backstage jobs, hands-on production jobs, and professional guest artists.

Professional Pathway

- College visits and in-house workshops
- Masterclasses and in-school residencies with professionals in the field
- Fully executed production designs for theatre, dance, and music

Non-Professional Technical Theatre

This pathway is designed to immerse students in hands-on job skills in various areas of theatre production.

Georgia Fine Arts Diploma Seal

Students who complete a visual or performing arts pathway earn the FADS on their diploma to indicate their mastery of state standards in the arts.
