Fremont Elementary

School Plan for Student Achievement
2024-2025

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment:

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement:

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-promise students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: lbschools.net/lcap. The LCAP Federal Addendum is presented at: lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

Progress and components of LBUSD's Strategic Plan, viewable at lbschools.net/departments/strategic-planning, are rooted in the following core values:

- Centering student needs and voice
- Authentic community engagement and collaboration
- Culture of innovation and creativity
- Diversity and inclusion
- Environment that fosters connection, respect and safety
- Equity and social justice
- Excellence and accountability through continuous improvement
- Fostering joy and commitment
- Integrity and responsible leadership

The Board of Education has set goals to help guide the district and schools:

Goal 1: Reading: Proficiency

The percentage of Grade 3 students who meet or exceed grade-level standards on the state English Language Arts SBAC assessment will grow from 48% in June 2023 to 70% by June 2028.

Goal 2: Reading: Acceleration

The percentage of students in Grades 4-8 scoring at the “Not Met” achievement level in the prior year who meet the scale score growth target on the state SBAC-English Language Arts assessment will increase from 28% in June 2023 to 60% in June 2028.

Goal 3: Algebra Proficiency

In pursuit of having more than 80% of Black/African American students meet the Algebra A-G requirement by the end of Grade 9, the proficiency gap between Black/African American students and all other students will decline from 5% in June 2023 to 0% by June 2028.

Goal 4: College & Career Readiness

In pursuit of having more than 66% of Black/African American graduating seniors A-G eligible, the proficiency gap between Black/African American students and all other students will decline from 15% in June 2023 to 0% by June 2028

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

Recommendation 1: Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

Recommendation 2: Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

Recommendation 3: Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

DELAC Recommendations:

1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
3. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
4. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020:

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment. For this reason, the Governing Board will have a written parent involvement policy developed jointly with and agreed upon by parents/guardians and applicable to non-Title I schools.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

Title I Schools

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for

meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318).

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

Comprehensive Needs Assessment: English-Language Arts

ELA Findings

SBAC -ELA

1. On the SBAC assessment Fremont maintained over 80% proficiency for the 2nd straight year.
2. Grade 3 and Grade 5 had 7% and 10% increases in students that exceeded on the SBAC assessment.
3. The percentage of Hispanic students that Met/Exceeded increased 9%, outpacing the Increase of White students at 3%.

i-Ready -ELA

1. 76% of all students were at grade level by the end of the third quarter.
2. From September (26% at grade level) to October (65%at grade level), Grade 1 gained 39% more students at Grade Level.
3. The following sub-groups outpaced the increase of white students at Grade Level (21% increase).
 - African American - 24% increase
 - Asian - 37% increase
 - Hispanic -28% increase

ELA Goals

1. All LBUSD students will achieve at least one year of academic growth in literacy and math by June 2025.
ELA 86% of 3-5 students will score Met/Exceeded on SBAC, up from 80.6%.
2. 65% Grade 4-5 students who were Not Met or Nearly Met on the prior year's SBAC ELA and Math will meet their accelerated growth target in June 2025, up from 53.8% in June 2024.
3. 85% of K-2nd grade students will be proficient on the Foundational Reading Skills Assessment by June 2025, up from 80.7% in June 2024.

Action Plan: Implementation of a structured literacy program in all grades with an emphasis on grades K - 2 for foundational skills in DDR using UFLI.

Teachers K-5 will implement district Quality Core Instruction.

School will implement GATE strategies K-5.

Identified students will receive Sunday intervention.

Tier 1 coaching provided by Lit. Lead.

Goals will align with district assessment schedule.

Progress will be monitored through formative and summative assessments via district assessments (FRSA, fluency, Writing PT's, PSA, end of unit assessments) i-Ready and SBAC.

Comprehensive Needs Assessment: Mathematics

Math Findings

SBAC

1. Over 7% increase in SBAC Met/Exceeded from school year 22-23 to 23-24
 - 3% decrease in not met
 - 5% decrease in nearly met
2. A 20% increase in SBAC Met/Exceeded for Grade 5.
3. Fremont's three largest sub-groups in population saw the largest increases in SBAC Met/Exceeded
 - Hispanic (170 students)- From 63% to 68%
 - White (160 students)- From 67% to 81%
 - Multiple (66 students) - From 72% to 78%

i-Ready

1. 66% (?) of students were at grade level achievement by the end of the third quarter.
2. Grade 3 saw the greatest increase in student achievement at grade level, 49%. from 24-73%
3. From the Sept. to March assessment, several sub-groups outpaced increases of white students in grade level achievement of 28%, from 41% to 69%.
 - African-American 16% to 56% = 40% increase
 - Asian 33%-84% = 51% increase
 - Hispanic 20%-61% = 41% increase
 - Multiple 37% - 78% = 41% increase

Math Goals

1. All LBUSD students will achieve at least one year of academic growth in literacy and math by June 2025.
Math: 82% of 3-5 students will score Met/Exceeded on SBAC, up from 74.3 %.
2. 45% of Grade 3-5 students will be Early On or Mid-Above on their i-Ready Math Diagnostic 3 assessment in March 2025, up from 28.1% in March 2024.
3. 70% of Grade 1-2 students will be Early On or Mid-Above on their i-Ready Math Diagnostic 3 assessment in March 2025, up from 52.9% in March 2024.

Action Plan: Continue best practices with focus on 5E lessons and QCI trainings for grades 3-5.

Tier 1 coaching provided by Math Lead.

District QCI math training for grades K-2

Goals will align with district assessment schedule.

Progress will be monitored through formative and summative assessments via district assessments (Math PT's, end of unit assessments) i-Ready and SBAC.

Comprehensive Needs Assessment: English Learners

English Learner Findings

ELA

1. On the Spring 2024 SBAC, English learners that met proficiency increased from 0% in 2023 to 38% in 2024.
2. On the March i-Ready assessment, 100% of Recently Proficient English Learners were at Grade Level by the end of the third quarter.

Math

1. On the 2023 Spring SBAC, there was a 20% increase in MET/Exceeded for the subgroup Recently Proficient English Learners (R-FEP)
2. On the March i-Ready assessment, 100% of Recently Proficient English Learners (RFEP) were at grade level.

English Learner Goals

60% percent or more English Learners will make progress toward English language proficiency, as determined by the English Learner Progress Index (ELPI) by June 2025, up from 46% as of June 2024.

Action Plan: Teachers will follow QCI approach via designated and integrated ELD. Identified newcomers will receive language development and literacy intervention. EL students will receive additional intervention to support with ELPAC skills. Targeted resources will be available specific to newcomers and ELPAC readiness.

Progress will be monitored through formative assessments in Wonders ELD, ELA assessments, EL intervention resources, and ELPAC Summative Assessment.

Comprehensive Needs Assessment: Culture/Climate Domain

Culture/Climate Findings

Overall Attendance increased from 94.4 % in 2022 to 95% in 2025. While Chronic Absenteeism decreased from 21.3 % to 14.5%. All three areas, Belonging 85%, Identity 81% and Agency 81% remained the same on the Spring Pulse Survey. Chronic absent rate for students with 2 or more races (25.4%) and students with disabilities (29.5%) increased as well as suspension rate for students with disabilities (6.8%)

Culture/Climate Goals

By June 2025, an increase of 3% in Spring 2025 compared to Spring 2024 in the area of self-efficacy and self-management as measured by the CORE survey.

Black/African American students' sense of personal identity, belonging and agency will be equal to or greater than white students.

Culture Climate Action Plan:

Full time counselor available to support SEL and individual student needs. All teachers will receive GATE training and utilize Habits of Scholar to support self-monitoring and self-efficacy.

Progress Monitoring: Progress will be monitored by general observation of school climate, data collection regarding Habits of a Scholar implementation, and Core Survey.

Attendance Action Plan: 1. Identify the listed as Two or More Races (67 students) and Students with DIS (44 students) who are listed as chronic with regards to attendance.

2. Employ re-engagement attempts:

Chronic Absentee: (Absent 10% or more excused, unexcused or tardy) phone calls home, attendance letters home

Truant (3 unexcused absences) - phone calls home, attendance stat letters home, possible meeting/parent conference to create a contract

Chronically Truant - (Absent 10% or more unexcused) Truancy letters from site and district, home visits, All-In campaign- SART or SARB school/district/home devise a plan to improve attendance.

Progress Monitoring: LROIX attendance reports

Suspensions Action Plan: 1. Counselor conducts lessons with classes on behavioral topics to prevent infractions.

2. Counselor and staff monitor students and meets with those who have behavior concerns.

3. If/when students behavior requires suspension counselor/admin follows the following procedures: parent conference and a safety plan for reentry is created which includes daily check-in and follow up which may include small group or 1:1 counseling.

Progress Monitoring: Counselor will monitor office referrals and interventions.

Comprehensive Needs Assessment: SPSA Effectiveness

SPSA Effectiveness	
---------------------------	--

Area	Prior Year Goal	Status	Data Analysis of Goal Attainment and Selected programs and services that impacted goal attainment	For this school year, what modifications may be planned for programs and services to have more positive impact on current year goals
ELA	<p>1) In order to meet LBUSD typical growth goal, Fremont Elementary will use student access, opportunity, and data to make culturally responsive instructional decisions. By utilizing QCI training and site planning to design differentiated learning opportunities. We will assess, analyze and adjust within a 6 week cycle of improvement in order to increase Annual Typical Growth as measured on i-Ready to 75% (8% increase) by the spring of 2024.</p> <p>In order to meet the LBUSD Goal for Stretch Growth, Fremont Elementary will utilize Literacy leads to monitor QCI strategies and assist in the planning, implementation and assessment of culturally responsive Tier I instruction. In addition, leads will ensure equitable processes and opportunities for tier 2 and 3 interventions. Implementation and monitoring will occur within the 6 week cycles. In doing so,</p>	Goal Partially or Not Met	Typical growth 60% but was taken 2 months prior due to district assessment schedule.	We will adjust the goals to align to the district assessment schedule.

	<p>Fremont will increase Stretch Growth of students below grade level to 60% (12% increase) by the spring of 2024.</p> <p>In order to reduce the gap between A.A. students and white students, Fremont Elementary will hold and communicate unwavering belief that all students, regardless of past or current performance, can meet rigorous college and career-ready academic standards. Through the monitoring and discussion of DOK questioning, talk moves, and call strategies we will ensure all students engage in learning. Using multiple indicators, we will assign interventions to all students that do not master concepts and provide additional learning opportunities within or after the school day. In doing so, Fremont will decrease a gap between white and A.A. students on i-Ready Typical Growth to less than 5% by the spring of 2024, while maintaining a gap of less than 3% between white and A.A. students that met proficiency on SBAC.</p>			
Math	1) In order to meet LBUSD typical growth goal, Fremont	Goal Partially or Not Met	Typical growth 50%. Stretch growth ranged from 22%-28%.	We will adjust the goals to align to the district assessment schedule.

Elementary will use student access, opportunity, and data to make culturally responsive instructional decisions. By utilizing QCI training and site planning to design differentiated learning opportunities. We will assess, analyze and adjust within a 6 week cycle of improvement in order to increase Annual Typical Growth as measured on i-Ready to 75% (9% increase) by the spring of 2024.

In order to meet the LBUUSD Goal for Stretch Growth, Fremont Elementary will utilize a Math lead to monitor QCI strategies and assist in the planning, implementation and assessment of culturally responsive Tier I instruction. In addition, leads will ensure equitable processes and opportunities for tier 2 and 3 interventions. Implementation and monitoring will occur within the 6 week cycles. In doing so, Fremont will increase Stretch Growth of students below grade level to 50% (12% increase) by the spring of 2024.

In order to reduce the gap between A.A. students and white

Typical growth for A.A. students on iReady was 96% and 93% for white.

<p>students, Fremont Elementary will hold and communicate unwavering belief that all students, regardless of past or current performance, can meet rigorous college and career-ready academic standards. Through the monitoring and discussion of DOK questioning, talk moves, and call strategies we will ensure all students engage in learning. Using multiple indicators, we will assign interventions to all students that do not master concepts and provide additional learning opportunities within or after the school day. In doing so, Fremont will decrease a gap between white and A.A. students on i-Ready Typical Growth to less than 5% by the spring of 2024, while maintaining a gap of less than 3% between white and A.A. students that met proficiency on SBAC.</p>			
--	--	--	--

English Learner	1) Fremont Elementary will use student access, opportunity, and data to make culturally responsive instructional decisions. By utilizing QCI training and site planning to design differentiated inclusive and designated learning opportunities, we will assess, analyze and adjust within a 6 week cycle of improvement to qualify 30% (10) current EL students to meet the requirements to reclassify as RFEP Students by the Spring of 2024.	Goal Partially or Not Met	12 students progressed, 3 maintained and 4 decreased. Those that decreased maintained the same EL level but decreased in points. 3 student achieved RFEP redesignation.	EL students are receiving designated ELD and targeted instruction to help improve skills assessed on the ELPAC test. Identified newcomers are receiving language development and literacy intervention.
Culture/Climate	1) Fremont will utilize a research-based foundation to support, plan, and guide staff in their culturally responsive practice by providing establishing and monitoring systems of support for staff to continuously improve in their own implementation and assessment of the culturally responsive practices of Meet up and Buddy up. In doing so, Fremont will increase the percentage of positive responses regarding identity and belonging on the pulse survey. In addition, will decrease absence and chronic absenteeism.	Goal Met	The Core Survey results for Belonging, Identity, Agency remained the same. Chronic attendance rates decreased.	Focus will be on self-management and self-efficacy in relation to GATE Habits of a Scholar.

Program Impact

Program	ELA Impact	Math Impact	EL Impact	Climate Impact
Roving substitute to assist classroom teacher with pull out for individuals that show need for acceleration of acquiring grade level Math Skills and concepts as deemed relevant from performance on common unit assessments and i-ready monitoring. Classroom Teachers will use i-ready groupings and next step strategies to formulate pull-out focus and work for individual students. A roving sub will work with all teachers grade 3-5 to execute pull -out lessons planned by the teacher. (IN 1)	Strong Positive Impact	Strong Positive Impact	Limited or no impact	Somewhat Impactful
Recreation Aides are utilized on the site to provide supervision during lunch, outdoor learning, afterschool play, and maintain safe ingress and egress during drop-off and pick-up activities. They work to implement school wide SEL initiatives and communicate daily with teachers related to problems that were dealt with during the supervised time. their will be one Recreation Aide Leader, Two Recreation Aides, and One Recreation Aide that will serve as support for the school attendance initiatives. (IN 2)	Limited or no impact	Limited or no impact	Somewhat Impactful	Strong Positive Impact
Grade Level Institute requires the use of three daily subs on the day of the institute. This will be on a designated day for each grade level. Teachers will use this time for data analysis, planning of flexible groupings, development of intervention resources, and unit planning. their will be four staggered cycles from late September to Spring Break. (PD 1)	Strong Positive Impact	Strong Positive Impact	Somewhat Impactful	Somewhat Impactful
Recreation Aide to assist in the office collecting incoming attendance data and assisting office manager during peak hours to ensure attendance expectations are communicated to school site families in a consistent manner. (PI 1)	Limited or no impact	Limited or no impact	Somewhat Impactful	Strong Positive Impact
Attendance incentive items to be distributed to those students with no unverified absences. (SM 1)	(Does not apply to this goal)	(Does not apply to this goal)	(Does not apply to this goal)	Strong Positive Impact
Opportunities for exposure to different cultures is a critical component to growing student sense of belonging, identity and agency within the learning community. Cultural assemblies and field trips allow for student engagement of diversity within our community as well learning opportunities throughout the community. (SM 2)	(Does not apply to this goal)	(Does not apply to this goal)	Somewhat Impactful	Strong Positive Impact

Accountability Measure 1: Increase Achievement

Core Program - English Language Arts		
Curriculum/Instruction	Assessments	Resources/Materials
<p>All K-5 classrooms will include instruction designed to move all students towards mastery of grade-level California Common Core State Standards in English Language Arts, including the California English Language Development Standards for English learner students, with an intense focus on:</p> <ul style="list-style-type: none"> • Building disciplinary and conceptual knowledge through content rich nonfiction and informational text. • Reading and Writing grounded in evidence from text. • Regular practice with complex text and its academic vocabulary with intensity. <p>Through an Integrated Model of Literacy, K-2 students will participate in daily activities to include (a) Foundational Reading Skills (b) Listening and Learning, (c) Reading and Writing, (d) Instructional Differentiation in Reading and Writing and (e) Accountable Independent Reading and Writing.</p> <ul style="list-style-type: none"> • District generated, grade level Scope & Sequence and Units of Instruction will ensure all students are engaged in Common Core aligned classroom instruction processes. • Teachers and students will monitor and adjust teaching and learning, guided by the systematic application of formative assessment practices to identify students' progress and needs. <p>Through an Integrated Model of Literacy, 3-5 grade students will participate in daily activities to include (a)</p>	<p>Students will participate in frequent and multiple formative and interim assessments within the grade level Unit of Instruction in both Reading and Writing, including daily and unit performance tasks that require:</p> <p>Students to demonstrate their understanding of texts and the “essential questions” by meeting grade level CCSS expectations for reading, listening, and language.</p> <p>Students to demonstrate their ability to express their understanding by meeting grade level CCSS expectations for speaking, writing/drawing, and language.</p> <p>Students demonstrate their comprehension of text through a “cold read” assessment, that includes citation of evidence in a written response.</p> <p>K - 2: Foundational Reading Skills Assessment (FRSA) 3 – 5: Smarter Balanced Assessment Consortium summative Assessments</p>	<p>Wonders / Maravillas (Dual Immersion) and associated ancillary materials McGraw-Hill</p> <p>Informational text and literature selections to match the unit content for read aloud and/or small group or independent reading.</p> <p>Content Area textbooks (e.g. Health, Science, Social Studies)</p> <p>Supplemental Reading materials matched to students' instructional Reading level (Newsela)</p> <p>GATE strategies</p> <p>Thinking Maps</p> <p>i-Ready Personalized Learning</p> <p>ELLevation</p> <p>iReady</p>

Reading, (b) Writing, (c) Research, (d) Instructional Differentiation of Reading and Writing and (e) Accountable Independent Reading and Writing.

- District generated, grade level Scope & Sequence and Units of Instruction will ensure all students are engaged in Common Core aligned classroom instruction processes.
- Teachers and students will monitor and adjust teaching and learning, guided by the systematic application of formative assessment practices to identify students' progress and needs.

Core Program - Writing		
Curriculum/Instruction	Assessments	Resources/Materials
<p>All K-5 classrooms will include Writing instruction designed to ensure that all students are prepared to write the following text types:</p> <ul style="list-style-type: none"> • Arguments to support claims in an analysis of substantive topics/texts • Informative/explanatory texts to examine and convey complex ideas and information clearly and accurately • Narratives to develop real or imagined experiences or events <p>All K-5 classrooms will engage in frequent/daily Writing activities embedded into the grade level Scope and Sequence and Units of Instruction to include any of the following:</p> <ul style="list-style-type: none"> • Reading to build knowledge for written pieces • Working through the writing process for all 3 text types including planning, revising, editing and publishing • Orally rehearsing using linguistic patterns • Writing routinely over extended time frames and shorter time frames for a range of discipline-specific tasks, purposes, and audiences • Conferring with the teacher and other students 	<p>Formative and Interim Writing assessments within the grade level Unit of Instruction, including:</p> <p>Daily Performance Activities such as: short constructed responses, analyses using evidence, multi-paragraph responses, essays</p> <p>“On Demand” Reading/Writing assessments</p> <p>Culminating Writing Task</p> <p>Research Task & Presentation</p> <p>SBAC Summative assessment (Grades 3-8)</p>	<p>Wonders / Maravillas (Dual Immersion) and associated ancillary materials</p> <p>Write from the Beginning supplemental Writing program materials</p> <p>Informational text and literature selections to match the unit content for read aloud and/or small group or independent reading.</p> <p>Content Area textbooks (e.g. Health, Science, Social Studies)</p> <p>Newsela</p> <p>Thinking Maps</p>

Core Program - Math		
Curriculum/Instruction	Assessments	Resources/Materials
<p>All K-5 classrooms will include instruction designed to move all students towards mastery of grade-level California Common Core State Standards in Mathematics with particular attention to:</p> <ul style="list-style-type: none"> • Strategically focusing where the Standards focus • Coherence: think across grades and link to major topics within grades • Rigor: require conceptual understanding, procedural skill and fluency <p>All K-5 students will receive CCSS aligned instruction based on district developed Scope and Sequence (by grade level) and Units of Instruction (by grade level) that include the CCSS Math Standards and the CCSS Standards for Mathematical Practice.</p> <p>As part of the K-5 Units of Instruction, all K-5 students will engage in:</p> <ul style="list-style-type: none"> • Daily Math Routines • Math Tasks • Mathematical Discourse • ST Math Puzzle Talks 	<p>Formative Assessment Lessons embedded into the Unit of Instruction</p> <p>End-of-Unit Assessment embedded into the Unit of Instruction</p> <p>SBAC Summative assessment (Grades 3-8)</p>	<p>LBUSD Supplemental Instructional Resources: student centered math tasks, Puzzle Talks, daily math routines</p> <p>HMH - GoMath Textbook Series</p> <p>ST Math Individual Journey</p>

Interventions						
Identify Data and Describe Student Needs	ACTION Description of Scientifically-based Intervention	List the sub-groups served	Funding Source and Cost	Time Frame and Frequency of Program	Personnel Delivering the Intervention	Progress Monitoring
Increase aspect of belonging, identity, and agency among all students Culture-Climate Survey (Student-Staff) 100	Opportunities for exposure to different cultures is a critical component to growing student sense of belonging, identity and agency within the learning community. Program Description for Transitions		
Preschool Transition	Gr. 5 to MS Transition	Gr. 8 to HS Transition
<p>An optional meeting will be offered to TK parents.</p>	<p>Students in grade 5 will take a field trip to local middle school. Teachers/staff will provide 5th grade students with middle school information and a Q and A session. Teachers, counselor, and office staff will assist parents with Middle School application process.</p>	

Accountability Measure 2: Organizational Climate

Organizational Climate					
Identified Need(s)	Program & Materials	Funding Source & Cost	Time Frame	Personnel	Progress Monitoring for Assessing Effectiveness

No supplemental budgeted items have been approved.

Accountability Measure 3: Professional Development

Professional Development					
Identified Need(s)	Planned Staff Development	Funding Source & Cost	Dates/Hours of Training Session	Personnel	Tools Used for Monitoring Implementation & Effectiveness
Need to build cohesive teams that implement common assessments, engage in data analysis, and discuss individual and small group interventions. SBAC ELA 40, SBAC Math 40, Elementary Reading - FRSA 20	Grade Level Institute requires the use of three daily subs on the day of the institute. This will be on a designated day for each grade level. Teachers will use this time for data analysis, planning of flexible groupings, development of intervention resources, and unit planning. There will be three staggered cycles from late September to Spring Break.	LCFF \$10,553 Substitute teacher full day (13) for 3 days - LCFF 100%	08/30/2024 - 06/15/2025 Weekly	Teachers will participate in data analysis, assessment planning and instructional decision making Administration will provide relevant PD to the grade level needs, offer time for SST, and build grade level cohesive practices.	Student Growth on i-Ready Participation in intervention programs Teacher satisfaction for Professional Development
Implementation of TPL and site strategies for QCI. SBAC ELA 30, SBAC Math 30, Elementary Reading - FRSA 40	Teacher will engage in collective efficacy through PDSA cycles for student growth. Teachers will meet at designated times on hourly basis work on site goals, planning, and data analysis. This is the same work as is done during the release days described in Line Item 1. Teachers have elected to do the work after contractual time rather than sub release days.	LCFF \$2,037 Teacher Hourly P Schedule (2) for 12 hours annually - LCFF 100%	08/30/2024 - 06/20/2025 Quarterly	Teacher	Administration will monitor classroom instruction and identify strategic changes based on TPL and site goals.

increased growth for EL students on summative assessments EL Reclassification 100	Professional Development require the purchase of supplies and resources to advance instructional practices. Fremont will focus this year on standards-based rigorous tasks.	Title 1 \$1,905 Materials - Title 1 100%	08/30/2024 - 06/15/2025 Quarterly	Instructiona and Intervention Team	I-Ready, Unit Assessments
---	---	--	-----------------------------------	------------------------------------	---------------------------

Describe Teacher Involvement

Accountability Measure 4: Parent & Community

Parent and Community Involvement					
Identified Need(s)	Program & Materials	Funding Source & Cost	Time Frame	Personnel	Method for Assessing Effectiveness
Serves to inform Spanish speaking parents during parent community meeting. EL Reclassification 100	Translation services related to parent-community meetings.	Par Inv \$559 Hourly - Intermediate Office Assistant (1) for 15 hours annually - Par Inv 100%	08/30/2024 - 06/20/2025 Monthly	Karla Ortega -IOA Spanish	Attendance rates for Parent-community meetings
Parents will grow in their understanding of how learning happens in the classroom and how best to support this learning at home. Culture-Climate Survey (Parent) 100	Teacher will provide informational workshops about current instructional practices during parent community meetings.	Par Inv \$1,358 Teacher Hourly P Schedule (8) for 2 hours annually - Par Inv 100%	08/30/2024 - 06/20/2025 Monthly	Designated teachers	Participation in parent-community meetings

School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA’s budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

Federal Programs (to Consolidate)	Allocation
Title I (3010)	40950
Title I Parent and Family Involvement (3008)	1866

The following amounts are the school's share of Title I required and allowed reservations:

Share	Services	Amount
Administrative Share	Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Research LROIX Development.	NA
Centralized Services Share	Counselors, Family Resource Centers, Facilitators, Travel/Conferences, APEX Online, Youth Orchestra Travel/Conferences, CORE	NA

State Programs *	Allocation
LCFF	27440

* It is understood that LCFF funding is district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Midyear Adjustments:

The state projects amounts districts receive in Title I and other resources, sometimes making mid-year adjustments to the allotments as a result of the Consolidated Application. While there is often no difference in site allocations, LBUSD will notify affected principals who will announce any adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to allocations to sites and designed to provide central services to underserved, underperforming, and/or Title I schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need and budget adjustments.

Administrative Share & Reservations Title I Program Administration

Parent Involvement (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Provides homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Research/TISB LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Program Administration and Personnel to provide leadership:

- Curriculum Instruction and Professional Development (OCIPD): DELAC and EL services
- Early Learning (CDC, Educare, Head Start) - early childhood education, personnel including pre-K teachers of subsidized programs, office assistants
- Equity Engagement and Partnerships (EEP) - parent workshops and community engagement
- State and Federal Programs (SFP): state and federal supplemental programs

Centralized Services

Family Resource Centers

Services to address students' social, emotional, and behavioral needs at 32 schools, including short-term counseling. The centers work with families to connect them to community resources, school-based services and parent education workshops.

Youth Orchestra

Students receive music opportunities with string instruments and instruction from professional music performers on weekends.

Assistance to Schools**Counselors**

Addresses student well-being, provides and coordinates various mental health supports, and collaborates with the site team to promote academic, behavioral or social-emotional development.

Facilitators

Assists in site engagement and compliance tasks to improve communication, build and strengthen community partnerships, and address goals to improve student achievement.

Travel/Conferences

Enables staff to develop requisite knowledge about programs they lead.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Foster Youth Transportation

Transportation services for foster youth districtwide, contracted with Los Angeles County Department of Health

Technology

Supplemental technology support and devices to school sites

English Learner Advisory Committee Membership

The following are members of the English Learner Advisory Committee, who duly advised and made recommendations to the School Site Council on the school's program, goals, and objectives for English learners.

Position	Representing	Name
Chair	Parent of EL Student (required)	██████ Galvan
DELAC Representative	Parent of EL Student (required)	██████ Lebed
Principal or Designee	Staff Member (required)	Chris Lounsbery
Secretary	Staff Member (required)	Tracy DeLucca

Name	Representing
------	--------------

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school’s English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

Question	Answer
1. Does the school have more than 20 EL students enrolled?	Y
2. At which ELAC meeting did ELAC approve its Recommendations?	09/20/2024
3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement:	ELAC suggested the purchase of Sets 1 and 2 of Frames for Fluency (\$1921.61) to support newcomers and providing after school tutoring for EL students.
4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply):	CELDT/ELPAC Results Language Census Data
5. At which SSC meeting were the ELAC recommendations presented? Ensure the SSC Agenda and Minutes list the receipt of the ELAC Recommendations	09/24/2024

6. What was SSC's response to ELAC recommendations?	SSC received the recommendation from ELAC on 9/24/2024. SSC suggested checking the Wonders resources for newcomers and comparing them to Frames for Fluency. The item will move to an action item at the October meeting. EL students are currently receiving designated ELD during the school day. Progress will be monitored and data collected. The need for after school tutoring will be revisited later in the year. Funding can come from ELOP funds.
---	---

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s): 09/24/2024
2. The SSC approved the **Home-School Compact** on 09/24/2024
3. The SSC approved the **Parent Involvement Guidelines** on 09/24/2024
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): 09/04/2024, 09/04/2024
5. SSC Participated in the Annual Evaluation of SPSA:10/22/2024
6. The SPSA was approved at the following SSC Meeting: 11/19/2024

Elementary Reading - FRSA

School Year: 23-24

Goals	
Area	Description
ELA Goals	<p>In order to meet LBUSD typical growth goal, Fremont Elementary will use student access, opportunity, and data to make culturally responsive instructional decisions. By utilizing QCI training and site planning to design differentiated learning opportunities. We will assess, analyze and adjust within a 6 week cycle of improvement in order to increase Annual Typical Growth as measured on i-Ready to 75% (8% increase) by the spring of 2024.</p> <p>In order to meet the LBUSD Goal for Stretch Growth, Fremont Elementary will utilize Literacy leads to monitor QCI strategies and assist in the planning, implementation and assessment of culturally responsive Tier I instruction. In addition, leads will ensure equitable processes and opportunities for tier 2 and 3 interventions. Implementation and monitoring will occur within the 6 week cycles. In doing so, Fremont will increase Stretch Growth of students below grade level to 60% (12% increase) by the spring of 2024.</p> <p>In order to reduce the gap between A.A. students and white students, Fremont Elementary will hold and communicate unwavering belief that all students, regardless of past or current performance, can meet rigorous college and career-ready academic standards. Through the monitoring and discussion of DOK questioning, talk moves, and call strategies we will ensure all students engage in learning. Using multiple indicators, we will assign interventions to all students that do not master concepts and provide additional learning opportunities within or after the school day. In doing so, Fremont will decrease a gap between white and A.A. students on i-Ready Typical Growth to less than 5% by the spring of 2024, while maintaining a gap of less than 3% between white and A.A. students that met proficiency on SBAC.</p>

Budgeted Items			
Line Number	Description	Cost	Personnel Summary
1	Grade Level Institute requires the use of three daily subs on the day of the institute. This will be on a designated day for each grade level. Teachers will use this time for data analysis, planning of flexible groupings, development of intervention resources, and unit planning. There will be four staggered cycles from late September to Spring Break.		Substitute teacher full day

Attestation:

The School Site Council (SSC), during the process of developing a compliant School Plan for Student Achievement (SPSA), ensured that quality interventions and services for underachieving students are included in the SPSA, with particular focus on student groups who led to the CSI/ATSI identification.

SSC engaged in a thorough needs assessment, based on data, in order to prioritize student needs and analyze interventions/services.

In addition, the SSC engaged in discussions about resource inequalities and was informed about the supports listed in the District's LCAP regarding our identification as a CSI/ATSI school. Resource Inequities and LBUSD's CSI section are included in this Addendum.

In approving the SPSA for the school, the SSC specifically adds this Addendum to the SPSA as part of its CSI/ATSI responsibilities.

Date Approved by SSC

10/22/24

Signature of SSC Chair

Resource Inequities

Schools eligible for CSI or ATSI must identify and describe any resource inequities identified as a result of the required needs assessment. Consideration of resource inequities can inform the assessment of the effectiveness of actions in the SPSA and provide a basis for the establishment of goals and/or expected outcomes for CSI/ATSI Targeted student groups.

In our analysis of our SPSA services, our SSC found the following about resource inequities for the targeted CSI/ATSI student groups:

- There are no resource inequities present in our SPSA.** Our CSI/ATSI targeted students are a priority and are receiving appropriate services/interventions through our Schoolwide Program.
- There was evidence of resource inequities prior to the SPSA being approved.** Our SSC made adjustments to the SPSA in order to correct the issue, and the SPSA is now providing appropriate services/interventions through our Schoolwide Program.
- There is some evidence of resource inequities in the current SPSA.** However, our SSC continued to make adjustments to the SPSA in order to ensure that the CSI/ATSI targeted students are being given appropriate services/interventions through our Schoolwide Program.

Comments about Resource Inequities (optional)

Attendance -

1. Identify the students listed as Two or More Races (67 students increase of 3.3 to 25.4%) and Students with DIS (44 students increase of 3.2 to 29.5%) who are listed as chronic with regards to attendance.

2. Employ re-engagement attempts:

Chronic Absentee: (Absent 10% or more excused, unexcused or tardy) phone calls home, attendance letters home

Truant (3 unexcused absences) - phone calls home, attendance stat letters home, possible meeting/parent conference to create a contract

Chronically Truant - (Absent 10% or more unexcused) Truancy letters from site and district, home visits, All-In campaign- SART or SARB school/district/home devise a plan to improve attendance.

Suspensions - ~~Two or More Races~~ ^{Students with Disabilities (7th)} (increased from .4% to .6% of total student population)

1. Counselor conducts lessons with classes on behavioral topics to prevent infractions.
2. Counselor and staff monitor students and meets with those who have behavior concerns.
3. If/when students behavior requires suspension counselor/admin follows the following procedures: parent conference and a safety plan for reentry is created which includes daily check-in and follow up which may include small group or 1:1 counseling.

Support for Schools as identified in LBUSD's LCAP

Support for Identified Schools

Support for schools is grounded in coaching and professional learning communities. LBUSD has shifted from compliance and at-a-distance supervision practices to a deeply rooted coaching orientation, partnership in addressing student achievement issues, and a strong emphasis on quality instruction in every classroom, as defined by the district's Understandings and Expectations framework. Since 2014, LBUSD District staff in an effort to better support sites has sought to enhance time spent on campuses, with leaders dedicating an average of three to five hours per month on every campus – visits that include classroom observations alongside the principal, data collection related to instructional implementation, and pedagogical guidance for teachers. Comprehensive Support and Improvement (CSI) schools receive even more intense support, particularly in areas like English Language Arts, Mathematics, and graduation rates.

One crucial area of support centers on school-level needs assessments. LBUSD's Research Office provides in-depth data tailored to each site, which are then used to develop interventions in consultation with educational partners. Academic measures include ELA and Math benchmarks, real-time grades (especially Ds and Fs), and whether students are on track to complete graduation requirements, while non-academic measures cover chronic absenteeism, suspensions, and disciplinary incidents. With assistance from district leaders, curriculum coaches, and other experts, CSI schools drill down by academic skill, by student group, and by logistical factors (e.g., the time of day and location of suspensions). Site staff receive tools and training to create "watch lists" – i.e., lists of classrooms to monitor closely and lists of students requiring further interventions. The latter is connected to phone, email, and text communication systems that can help engage families in the process.

Here are specific supports that LBUSD delivered (and will continue to provide moving forward) to help CSI schools develop their plans:

- Level office staff spent additional hours at CSI schools to help principals conduct deeper analyses on chronic absenteeism, suspensions, disciplinary incidents, and survey data related school culture and climate and social-emotional learning. Such analyses were on top of those conducted for academic measures like English Language Arts, Mathematics, and graduation rates.
- Level office staff, curriculum leaders, and other district support departments provided CSI schools with research on successful evidence-based interventions in comparable schools, both at LBUSD and other districts in California. Depending on the programs, the research included either academic studies or best practices. This information was paired with budget information, so that programs can be sustainably developed.
- Level office staff, curriculum leaders, and other district support departments assisted CSI schools with identifying resource inequities by providing reports on current staff levels, budget figures, and logistical data. Through various one-on-one meetings, sites were then guided by content experts in identifying significant resource gaps. For example, a review of a site's English Learner supports would incorporate additional teachers that might be needed, along with the instructional materials, technological software, intervention scheduling design, and other details that would help build out the program.
- Based on the research and "gap" analyses described in the two previous bullet points, level office staff, curriculum leaders, and other district support departments helped CSI schools select evidence-based

interventions. Among the guiding principles that LBUSD promoted in this decision-making process is sustainability – the importance of developing high-impact programs that can be implemented in multi-year timeframes. Given the depth of student needs, it was essential to have a long-term perspective and make adjustments along the way. LBUSD then ensured that CSI schools had training for program implementation.

- Lastly, level office staff, curriculum leaders, and other district support departments helped CSI schools establish monitoring and evaluation systems. Supports included training on how to identify appropriate data to collect (for example, student participation in interventions, related test scores, etc.), how to use LBUSD’s “intervention tracker” or similar system, how to schedule data analyses alongside the site visits described above, and how to use feedback for program improvement. In some cases, LBUSD provided CSI schools with sample survey questions for gathering student, parent, and staff perspectives. LBUSD also paired CSI schools with similar partner sites so that data can be compared and promising practices can be shared.

Monitoring and Evaluating Effectiveness

To monitor and evaluate the effectiveness of the CSI plans, quarterly visits will be conducted. These formal visitations allow site teams to reflect upon their collective efforts and engage colleagues from other schools and district departments for objective feedback. Quarterly visits will be customized by schools but follow a common structure:

- **Whole Group Briefing:** The school team (principal, teachers, and support staff) will provide background for the visit by sharing their CSI plans. They will highlight their site data, professional development activities, and key interventions. They will help visitors (Level office staff, curriculum leaders, and other district support departments) develop an understanding of their priorities.
- **Classroom Visits:** School team members and visitors (Level office staff, curriculum leaders, and other district support departments) will observe classrooms, collecting data and examples that reinforce the school’s CSI plans. They will take notes, collect images, and talk to students in order to summarize their observations.
- **Whole Group Debriefing:** School team members will facilitate a debriefing that allows them to understand and affirm the site’s continuous improvement efforts. They will focus not only on content delivery, teaching practices, and student actions, but also the various interventions that are being implemented to support struggling learners.
- **Principal Debriefing:** Principals and/or principal supervisors will engage in further discussion regarding next steps. This dialogue will be folded into the regular coaching work described in the previous section.

More broadly, the LROIX platform developed by LBUSD’s Research Office features tools that allow district and site leaders to monitor the progress of CSI schools and their students. LROIX functions enable district & site administrators and teachers to track students who are “at-promise” across a broad spectrum of measures, including chronic absenteeism, discipline, course grades, graduation requirements, iReady growth, and high school or college readiness (as applicable). Such real-time data will be used to adjust CSI plans and develop additional interventions for struggling learners.

School-Parent-Student Compact

All of the Fremont community (students, parents, and staff) will demonstrate the character traits of responsibility, justice and fairness, empathy, equity and inclusion, caring and respect.

As a faculty/staff member at Fremont school, I will:

- provide an academic program that is rigorous and challenging
- provide motivating and interesting learning experiences
- address the individual needs of all children, including special education, ELL, and GATE
- communicate with parents regarding children's academic, social, and emotional progress
- provide a safe, positive, and healthy learning environment for all children
- involve parents in governance of our school through the School Site Council and other school committees
- communicate with children using positive, respectful language
- make sure my homework assignments support, reinforce, and extend appropriate district grade level standards that I have taught my students.

As a student, I will:

- come to school on time daily prepared to work
- do my very best on my school work and homework
- make good choices in class and on the playground demonstrating the character traits as listed above, and taking responsibility for my actions
- wear uniforms
- show respect to myself, others, and my school
- communicate with others using positive, respectful language
- listen carefully when my teacher explains homework assignments and ask questions about the assignment if I don't understand
- learn and practice honesty and truth.

As a parent/guardian, I will:

- provide a regular time and place to study and see that he/she reads the required daily minutes
- make sure my child attends school on time daily, in uniform, rested, and ready to learn
- communicate using positive, respectful language with my child's teacher and staff in their efforts to provide children with a quality education
- teach my child to be responsible, respectful, and supportive of teachers, classmates, school staff, and Fremont School
- encourage my child to do homework assignments independently but will be available if needed to advise and help so he/she can continue working independently.

Parent Involvement Guidelines

Fremont Elementary School recognizes that parents/guardians are their children's first and most influential teachers and that continued parent partnership in the education of children contributes greatly to student achievement and a positive school environment. In order to engage parents/guardians positively in their children's education, Fremont School will:

- 1. Initiate consistent and effective two-way communication between the home and school so that parents/guardians may know when and how to help their children in support of classroom learning activities.**
- 2. Encourage parents/guardians to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils and other activities in which they may undertake governance, advisory and advocacy roles. Promote a culture of respect, kindness, collaboration and engagement between staff, parents/guardians, students and the wider community.**
- 3. Receive training for staff that fosters effective and culturally sensitive and sustaining communication with the home, including training on how to communicate with non-English speaking parents/guardians and how to give parents/guardians opportunities to assist in the instructional process both at school and at home.**
- 4. Include parents and guardians of English Language Learners in the development, implementation, and evaluation of core and categorical programs for English learners, while honoring and supporting the assets of students' home languages. Engage with parents about how they can be involved in the education of their children and be active participants in assisting their children to achieve English proficiency, achieve at high levels in core academic subjects and meet challenging state academic standards expected of all students.**
- 5. Support and learn from parents/guardians around developing parenting skills and providing home environments that support their children's academic efforts and their development as responsible members of society.**
- 6. Support and learn from parents/guardians in how parents/guardians can directly affect the success of their children's learning and provide them with techniques and strategies that they may use to improve their children's academic success and help their children in learning at home.**

School plans shall delineate specific measures that shall be taken to increase parental involvement with their children's education, including measures designed to involve parents/guardians, honoring and supporting cultural and home languages or other aspects of students home lives, ensuring they do not inhibit involvement and participation.

In Partnership,

Chris Lounsbery

Fremont Elementary Principal
