LIVING HISTORY

The newest exhibit at the Dorseyville Middle School LIGHT Center paid tribute to some black-and-gold gridiron greats. Memorabilia marking decades of Pittsburgh Steelers history was on display for students and staff as part of the “Community of Champions” exhibit. As part of the exhibit, students heard from a pair of former Steelers – Will Allen and Rocky Bleier.

STUDENT RANKS INTERNATIONALLY

Fox Chapel Area High School senior Rachel Pegher won an award as part of the 2024 HOSA International Leadership Conference in June. She won fifth place in the Cultural Diversity and Disparities in Health Care test category. Rachel competed against about 250 students. Congratulations, Rachel!
