RE: Pricing and maintenance proposals

Dear Dave;

Attached are pages 13-15 of the RFP

Page 13 has been completed and signed

Page 14 is blank

Page 15 is completed. We are proposing a cloud based system consisting of a Brivo Onair cloud based system.

This system consists of the following at each door. Brivo controller, HID card reader, HES electric strike,

Magnetic door contact and REX motion detector. Necessary wire run to district provided POE switch,

programming and database setup. Training as needed. Specification sheets are included for each item.

Credential pricing is provided as requested.

Maintenance agreement information

Page 15 includes the basic maintenance required for this system. Basic maintenance includes additional training needed. One annual inspection of all system components. Service calls necessary to keep the system in proper operating condition. Replacement parts, (new not repaired) and labor.

Please call or email with any questions.

Sincerely,
