Response to Request #1: District 47 currently serves 44 students in the ASPIRE program. After an extensive search of both electronic and paper records, we are unable to locate any records that are responsive to your request for data for the 2013-2014, 2014-2015, and 2015-2016 school years.

Request #2: “How many students to teacher ratio, the number of aids (sic) within the classroom and at what date, if any, and positions were added or discontinued or dissolved within that school year.”

Response to Request #2: The District’s ASPIRE program currently employs 6 teachers and 19 paraprofessionals. After an extensive search, the enclosed records were located that are responsive to your request.
