Re: Freedom of Information Request

Dear Mr. Greenwood:

On December 19, 2016, the School District received a Freedom of Information Act ("FOIA") request from you. Your request and the School District's response is below.

Request:

This FOIA is in response to the public notice posted in the Northwest Herald (November 30, 2016) that provided District 47's Annual Statement of Affairs Summary for Fiscal Year Ending June 30, 2016.

In regards to District 47's Salary Schedule, I am specifically requesting additional information on the Salary Range \$90,000 and over. This salary range is too vague compared with other government agencies provided, example Village of Huntley, Lake in the Hills, etc, etc.

Request salary information for \$90,000 and over in \$25,000 increments with associated employee' name and gross payment amounts for each individual included in this salary range (\$90,000 and above).

Response:

The following documents are available on the District's website (www.d47.org) and provide salary information available.

1. Annual Statement of Affairs 2015-2015

2. IMRF Total Compensation Report 2016-2017

3. 2015-16 Administrator and Teacher Salary Report

I would greatly appreciate acknowledgement of our response that you have been able to successfully open all attachments.

If you have any questions, please feel free to contact the district at 815-788-5000. The District is currently on winter break and will be returning January 3, 2017.

Sincerely,

Cathy Nelson
Assistant Superintendent of Business
