Re: Freedom of Information Request

Dear Mr. Kruse:

On July 17, 2017, Crystal Lake School District No. 47 received a Freedom of Information Act ("FOIA") in which you requested the following:

*Annual water usage records if the information I am looking for is contained in monthly or quarterly billing records (i.e., a water bill) I would certainly accept those documents if they are available.

The following information fulfills our obligation to respond to your FOIA request. I would appreciate acknowledgment that you received this email as well as being able to successfully open the document.

If you have any questions, please feel free to contact me 815-788-5000.

Sincerely,

Clare F. Bourne
Freedom of Information Officer
Crystal Lake School District 47

Clare,

I have received your response to my FOIA request. If the information I am looking for is contained in monthly or quarterly billing records (i.e., a water bill), I would certainly accept those documents if they were available. Would that be the case?

Thank you,
Kevin Kruse

A MESSAGE FROM THE CITY OF CRYSTAL LAKE

Holiday Lights Recycling Program - In partnership with Elgin Recycling, residents may drop off holiday lights for recycling at City Hall now through February 24, 2017. A holiday light recycling tote is located in the front lobby next to the Finance/Administration counter. All types of strung lights are accepted for recycling, but not lighted wreaths, garland, live greens and other non-recyclables.

Christmas Tree Recycling Program - MDC Environmental Services will once again pick up Christmas trees for recycling/composting. Christmas trees may be placed on the curbside by 7 a.m. beginning Monday, December 26th through Friday, January 6th. A separate collection vehicle will collect and recycle the trees. The City of Crystal Lake wishes all a safe and wonderful holiday season!

A MESSAGE FROM THE CITY OF CRYSTAL LAKE

Holiday Lights Recycling Program - In partnership with Elgin Recycling, residents may drop off holiday lights for recycling at City Hall now through February 24, 2017. A holiday light recycling tote is located in the front lobby next to the Finance/Administration counter. All types of strung lights are accepted for recycling, but not lighted wreaths, garland, live greens and other non-recyclables.

Christmas Tree Recycling Program - MDC Environmental Services will once again pick up Christmas trees for recycling/composting. Christmas trees may be placed on the curbside by 7 a.m. beginning Monday, December 26th through Friday, January 6th. A separate collection vehicle will collect and recycle the trees. The City of Crystal Lake wishes all a safe and wonderful holiday season!
