Subject: Who is the facilities director there?
To: cfbourne@d47.org

Clare,

This is Michael with NAEES Illinois. We're putting together a contact list of facilities directors and maintenance directors throughout the state, and I'm wondering if you know who we can put down for Crystal Lake CCSD 47. We just need the following info for whoever is in charge of maintaining the facilities and grounds for all the school buildings there:

Name:
Title:
Direct Phone Number:
School District Phone Number:

We reach out to the contacts two times per year to survey chemical and material usage. We then make that data available to engineering students in the state. Our calls last only a few minutes. Please let me know if you have any questions about us.

Thanks so much for the help,

Michael Timothy
