Subject: Update on Coventry Elementary School Addition project

To: <dsschuh@d47.org>

Hi Dave,

I work for an online construction database called [ConstructionWire](#). I was hoping for an update on the Coventry Elementary School Addition project in Crystal Lake, IL, 820 Darlington Ln.

- Is there a construction schedule, or is the project still going through the approval and planning process?
- Who will be the project's general contractor?

Any additional details you can provide, including who would be the best contact for future updates, would be appreciated.

Thank you for your time.

Best,

Christine Magnotta
