Re: Freedom of Information Request

Dear Ms. Magnotta:

On January 15, 2021, Crystal Lake School District No. 47 received a Freedom of Information Act ("FOIA") Request from you via email, in which you requested:

- Is there a construction schedule, or is the project still going through the approval and planning process? Are plans on hold for any reason?
- Who will be the project's general contractor?
 - This project has been substantially completed as of August, 2020 by Pepper Construction."

Please find the information above which fulfills our obligation to your FOIA request. If I can be of additional assistance, please don't hesitate to contact me.

Sincerely,

Clare F. Bourne
Freedom of Information Officer
Crystal Lake School District 47

Subject: Coventry Elementary School Addition - Update

Hi Dave,

My name is Chrissie Magnotta, and I work for an online construction database called [ConstructionWire](#). I was hoping for an update on the Coventry Elementary School Addition project in Crystal Lake, IL, 820 Darlington Ln.

- Is there a construction schedule, or is the project still going through the approval and planning process? Are plans on hold for any reason?
- Who will be the project's general contractor?

Any additional details would be greatly appreciated. Thank you for your time.

Regards,

Christine Magnotta
