Good Afternoon,

I'm following up to see if you can tell me who was awarded the contract & the contract amount for **2021 Flooring Replacement** in Crystal Lake that bid back in March. We have a few customers asking if results have been released. If this hasn't been awarded yet, would you be able to send me a copy of the bid tabulation or the name of the low bidder their bid amount? If this was online and I missed it, would you be able to share the location so I can make note of this for future projects.

Thank you in advance for your time.
