Re: Freedom of Information Request

Dear Ms. Morris:

On January 10, 2021 Crystal Lake School District No. 47 received a Freedom of Information Act ("FOIA") Request from you via email, in which you requested the following:

- Covid protocols. The agreement between the government or others on what is expected in regards to covid "rules" to carry out and the funding. In other words, what was laid out to the school in regard to masking, cleaning, changes because of covid, and upcoming mandatory covid "vaccine" for students and employees.
 - The District does not possess any of the written agreements you are requesting. [CDC Guidelines](#) have been provided for your convenience.
- How much money the school is receiving, what the paperwork is stating, where the money had and is going to in details. I would also like documentations of peer reviews papers to justify mask, social distancing and vaccination. Risk vs research to back up why it is being done. The data of the isolation of covid as well as the "new" variants.
 - [ESSER Funds](#)
 - The District does not possess the documents you are requesting nor is required pursuant to 105 ILCS 140/7(1)(f), which exempts from disclosure preliminary drafts, notes, recommendations, memoranda, and other records in which opinions are expressed or policies or actions are formulated.

To the extent you consider this response a denial to your request; you have the right to have the denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to: Public Access Counselor, Office of the Attorney General, 500 South 2nd Street Springfield, Illinois 62706, Fax: 217-782-1396, E-mail: publicaccess@atg.state.il.us, Phone: 312-814-5526. If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days after the date of the denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original request for documents and the denial letter when filing a Request for Review with the PAC. You also have the right to seek judicial review of your denial by filing a lawsuit in the State circuit court. 5 ILCS 140/11.

If you have any questions, please feel free to contact me 815-788-5000.

Sincerely,

Clare F. Bourne
Freedom of Information Officer
Crystal Lake School District 47

to me

Thank you for reaching out for clarification.

Covid protocols. The agreement between the government or others on what is expected in regards to covid “rules” to carry out and the funding. In other words, what was laid out to the school in regard to masking, cleaning, changes because of covid, and upcoming mandatory covid “vaccine” for students and employees.

How much money the school is receiving, what the paperwork is stating, where the money had and is going to in details. I would also like documentations of peer reviews papers to justify mask, social distancing and vaccination. Risk vs research to back up why it is being done. The data of the isolation of covid as well as the “new” variants.

Please let me know if my detailed information is not sufficient.
