Dear Mr. Tauler:

On April 14, 2020, we received an email request pursuant to the Freedom of Information Act (FOIA) seeking records from Crystal Lake Elementary District 47 ("District"). In your FOIA you requested:

- Results from the survey that resulted in the district ordering mifi devices from the district's wireless internet provider.
- Information requested includes but is not limited to: total number of students with no or limited internet access at home and anonymized geographic data (no more granular than subdivision level if possible) on where these devices were needed to be deployed (if available).

Please find the attached document which includes the information we have as a result of the survey. FOIA exemption (5 ILCS 140/7) (from Ch. 116, par. 207) Sec. 7 of exemptions states that a public body is not obligated to prepare a public record for the purpose of responding to a FOIA request. FOIA exemption 5 ILCS 140/1 only requires that a public body provide existing non-exempt records in response to requests.

To the extent you consider this response a denial to your request; you have the right to have the denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to: Public Access Counselor, Office of the Attorney General, 500 South 2nd Street Springfield, Illinois 62706, Fax: 217-782-1396, E-mail: publicaccess@atg.state.il.us, Phone: 312-814-5526. If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days after the date of the denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original request for documents and the denial letter when filing a Request for Review with the PAC. You also have the right to seek judicial review of your denial by filing a lawsuit in the State circuit court. 5 ILCS 140/11.
