## What is an Apprenticeship?

- Imagine learning cool job skills while actually working!
- You get to learn in two awesome ways: hands-on at a real job
- A Bridge Between School & Your Future Career
- At the end, you're ready to be a full-time working superhero!
- How long does it take? 2,000 hours of learning on the job (that's a lot of practice) 144 hours of special classes, get a certificate at the end.
