Science Teacher in Secondary School (Ref. Code 2024-073)

Position Summary:

Teacher of DP Biology and MYP Integrated Sciences in Secondary School

Responsibilities:

- Teach Integrated Science (Biology, Chemistry and Physics) in grades six through ten and DP Biology for grade eleven and twelve
- Communicate and meet with parents
- Record and share with parents assessment data at regular intervals during the school year
- Collaborate with colleagues from within and outside of the Science department
- Engage in professional development
- Participate in departmental and other meetings
- Create and update unit plans and place them in the appropriate location
- Contribute to the wider community

Qualifications:

Applicants must have suitable subject and teaching qualifications. A candidate with a breadth of knowledge across the Science subjects is an asset. A graduate degree in Science is preferred. Current and significant experience teaching the MYP and the IB Diploma is also preferred and desired. The ability to teach ESS is also an asset. Training in current methodology in the teaching of language learners at the Secondary level is recommended, as is some experience or familiarity with ManageBac. We are seeking applicants who are familiar with data-driven decision making or a willing mindset to learn how to do so.

Terms of Employment:

- Starting date is 1 August 2025
- The position is initially limited until 31 July 2027, with the option of permanent employment thereafter
- The position is a full-time position

Interested applicants should send a letter of interest with a current CV indicating the above-mentioned position including reference code to HR@ishamburg.org.
