

## **TENTATIVE ADVERTISEMENT** **Teacher of Mathematics in Secondary School** **(Ref. Code 2024-075)**

### **Position Summary:**

Teacher of MYP Mathematics and DP Mathematics Analysis and Approaches (AA) HL

### **Responsibilities:**

- Teach Mathematics in grades six through twelve
- Communicate and meet with parents
- Record and share with parents assessment data at regular intervals during the school year
- Collaborate with colleagues from within and outside of the Mathematics department
- Engage in professional development
- Participate in departmental and other meetings
- Create and update unit plans and place them in the appropriate location

### **Qualifications:**

Applicants must have suitable subject and teaching qualifications. A graduate degree in Mathematics would be advantageous. Current and significant experience teaching the MYP and the IB Diploma is preferred and specifically teaching the DP Mathematics AA course at a higher level is desired. Training in current methodology in the teaching of language learners at the Secondary level is preferred, as is some experience or familiarity with ManageBac. We are seeking applicants who are familiar with data-driven decision making or a willing mindset to learn how to do so.

### **Terms of Employment:**

- Starting date is 1 August 2025
- The position is initially limited until 31 July 2027, with an option for a permanent position thereafter
- The position is a full-time position

Interested applicants should send a letter of interest with a current CV indicating the above-mentioned position including reference code to [HR@ishamburg.org](mailto:HR@ishamburg.org)
