1. DRAFT 2025-2026 District Calendar

- a. Dr. Matzner told the committee the draft calendar layout was updated to be more organized for those who utilize it. The calendar has 180 days for students and 188 days for staff, which works out to the 190 days needed due to hours after the school days. Dr. Matzner also pointed out the 2025-26 school year will start a week earlier on Aug. 20, 2025.

*The 2025-2026 District Calendar will be included as an informational item on the next School Board meeting agenda.

2. Discussion: Student Transcript

- a. The committee discussed having an option for students and parents to hide the field for class rank on high school transcripts. Dr. Perrin indicated it is a potential process change, not a policy change, but it could be a possible option for the next school year.
