

Fully-Funded (NO COST!) 1-Day Classroom Behavior Training

Participant Feedback...

"PAX GBG worked like magic within the first 2 days! What classroom gold and such a difference already!"

"The trainer gave great examples of how to incorporate PAX strategies into our existing lessons. Best training I've attended in years!"

"Amazing classroom management strategies that work with what you already do, gets rid of the need for a prize box (money-saving), and creates a very positive class environment."

★ What is PAX GBG?

The PAX Good Behavior Game is a proven, evidence-based collection of practical, easy-to-use strategies for working with kids ages 4-17.

- ★ **IMPROVE**
 - Students' ability to regulate their own behavior
 - Academic performance, attention, and focus
 - School climate and student engagement
- ★ **DECREASE**
 - Teacher stress up to 70%
 - Disruptive or off task behavior by 60-90%
 - Risk factors for psychiatric disorders, drug use, and suicide
- ★ **PAX GOOD BEHAVIOR GAME HIGHLIGHTS**
 - Trauma-informed, evidence-based
 - Intrinsic motivation (no prize boxes!)
 - Strategies incorporate into normal classroom instruction – No new lessons or curriculum!
 - Easy-to-implement for all experience levels
