

### VISION

Education Service Center Region 19 is a community partner that provides core guidance and services for the educational success of every student.

### MISSION ... QUALITY POLICY

Education Service Center Region 19 is committed to ensuring success for all students by providing quality services to all educational partners in our region through a continuous improvement process.

## CENTER GOALS AND ACTION STRATEGIES

ESC19 goals assure that products and services target student achievement, mental wellness, and school safety support through professional development that focuses on needs of learners from birth through adulthood.

### **GOAL 1: ENHANCE LEADERSHIP, TEACHER AND LOCAL EDUCATIONAL AGENCY STAFF EFFECTIVENESS**

- 1.1 Provide training and technical assistance to all ESC19 educational entities to optimize utilization of resources.
- 1.2 Provide training, technical assistance and program support to advance effectiveness in all ESC19 educational entities.
- 1.3 Promote a positive culture that is service-directed and impactful to all ESC19 educational entities.
- 1.4 Promote ESC19 as a community partner to enhance educational success for all students.

**GOAL 2: IMPROVE STUDENT PERFORMANCE BY BUILDING A STRONG FOUNDATION IN CORE ACADEMIC COMPETENCIES**

- 2.1 Develop a regional plan for improvement of student performance using a systemic, data-driven approach to ensure achievement for all student groups, with a specific emphasis on support to low-performing local educational agencies.
- 2.2 Provide assistance in meeting/exceeding state and federal accountability requirements.
- 2.3 Provide direct services to all ESC19 educational entities for successful learning and student performance.

**GOAL 3: ADVANCE COMMUNITY AND INDUSTRY CONNECTIONS IN COLLEGE AND CAREER FOR FUTURE-READY STUDENTS**

- 3.1 Increase the number and effectiveness of collaborative partnerships with all ESC19 educational entities and the community to provide post-secondary opportunities for students.
- 3.2 Develop innovative interventions, methods, and programs to enhance the support and services provided to districts and campuses to increase future-readiness.
- 3.3 Build and promote a seamless transition to college and career through the utilization of the most current workforce data.

**GOAL 4: PROVIDE SERVICES FOR EFFICIENCY AND EFFECTIVENESS OF LOCAL EDUCATIONAL AGENCY OPERATIONS**

- 4.1 Conduct data-driven needs assessments to advance the design of programs and services for all ESC19 educational entities.
- 4.2 Communicate changes in federal and state rules, regulations, and initiatives to all ESC19 educational entities.
- 4.3 Assess local educational agencies' need for finance-related technical assistance and deliver needed services.
- 4.4 Provide technical assistance and guidelines to support efficient and effective use of resources and reporting procedures.

**GOAL 5: ADVANCE STRATEGIES AND PROGRAMS TO LEVERAGE SERVICES TO ALL ESC19 EDUCATIONAL ENTITIES**

- 5.1 Increase resources through private and public partnerships.
- 5.2 Enhance professional growth of all ESC19 personnel and Board of Directors.
- 5.3 Utilize data analysis to increase cost benefits and services to all ESC19 educational entities.

**GOAL 6: SUPPORT EFFECTIVE IMPLEMENTATION OF PRACTICES THAT ENHANCE SCHOOL SAFETY AND MENTAL WELLNESS**

- 6.1 Provide technical assistance in Multi-Tiered System of Supports (MTSS) as a research-based framework for the systemic alignment of school-wide practices, programs, and services to support both the non-academic and academic development of students, as well as address the physical and psychological safety of all individuals within the school community.
- 6.2 Align with statewide initiatives in the implementation of the Safe and Supportive School Program to include threat assessments, crisis preparedness, and response for LEAs regionwide.
- 6.3 Provide professional development services to address safe and supportive school guidance and counseling.
